The Patient Griselda:

The Patient Griselda Myth Madeline Rüegg, 2019-06-04 From the 14th until the 19th century the last novella of Boccaccio's Decameron also known as the Griselda story has been translated and adapted countless times in many European languages This story's success can be explained by considering it a myth and analysing how this myth engages with contemporary discourses such as the definition of the ideal wife the querelle des femmes the socio-political consequences of social exogamy and tyranny

The Evolution of the Patient Woman Grace Annelise McCarthy, 2015 English literary tradition contains a progression of the character Patient Griselda through narratives by Geoffrey Chaucer John Phillips and Thomas Dekker Little critical attention has been paid to Patient Griselda stories and much of the criticism contextualizes or dismisses Patient Griselda rather than engaging in close reading of the character Each successive storyteller produced and reproduced a slightly different Patient Griselda for their generation however and examining the evolution of Patient Griselda allows specific differences in the narratives to come to light These key narrative differences suggest a strong argument for Thomas Dekker's The Pleasant Comedy of Patient Grissil as the most immediate Griselda source for Shakespeare's The Winter's Tale Scholars have largely ignored the Patient Griselda influences in The Winter's Tale What little scholarship has been done on this topic attempts to connect Shakespeare's Griselda story elements to Chaucer The similarities between Dekker's Griselda and Shakespeare's play however are too significant to ignore Within The Winter's Tale are elements from Dekker's Griselda story which exist nowhere else in the English literary tradition of Patient Griselda These elements include instances of the words patient and patience close parallels between characters as well as similar narrative and plot structures

The Patient Griselda, 1916 [The Story of Patient Griselda from the Clerk's Tale](#) Geoffrey Chaucer, 1906

The Story of Patient Griselda Geoffrey Chaucer, 1906 *Patient Griselda* Eliza Sotheby, 1993 The tenth tale of the tenth day in the Decameron rendered into English verse *Chaucer's Clerk's Tale* Judith Bronfman, 2019-09-20 Originally published in 1994 This surveys the origin and development of one of Chaucer's most problematic characters Griselda who through the centuries has challenged the horizon of expectations of many an audience Starting with Boccaccio's Decameron and suggesting in turn its precursors in whole or in part Bronfman goes on to summarize the reigning opinions of Chaucer's heroine and her situation The advance of feminist perspectives on medieval literature had the result that for many the Clerk's Tale has political overtones where the Walter Griselda marriage may serve as a metaphor for among other things the state or right order This study looks at the story from a long view from its sources to the flood of critical interpretations the creative reception of Chaucer's story outlining the many rewritings of Griselda from Chaucer to the twentieth century A special chapter considers the Griselda story as represented in illustrations as well

Time and Gender on the Shakespearean Stage Sarah Lewis, 2020-09-24 This book analyses the cultural and theatrical intersections of early modern temporal concepts and gendered identities Through close readings of the works of Shakespeare Middleton Dekker Heywood and

others across the genres of domestic comedy city comedy and revenge tragedy Sarah Lewis shows how temporal tropes are used to delineate masculinity and femininity on the early modern stage and vice versa She sets out the ways in which the temporal constructs of patience prodigality and revenge as well as the dramatic identities that are built from those constructs and the experience of playgoing itself negotiate a fraught opposition between action in the moment and delay in the duration This book argues that looking at time through the lens of gender and gender through the lens of time is crucial if we are to develop our understanding of the early modern cultural construction of both

Patient Griselda. A Tale. From the Italian of Boccaccio By Miss Sotheby.
