Turning Promises Into Performance Richard P. Nathan, 1993 With the enactment of the Family Support Act of 1988 every state is now required to implement a workfare program Workfare is designed to supplement and ultimately replace welfare with job training programs Nathan examines the roles of job training job placement education and child care services as a route to transforming welfare payment programs into systems that stress jobs and services for welfare families *In the Shadow Of the Poorhouse (Tenth Anniversary Edition)* Michael B Katz, 1996-12-11 With welfare reform a burning political issue this special anniversary edition of the classic history of welfare in America has been revised and updated to include the latest bipartisan debates on how to end welfare as we know it *In the Shadow of the Poorhouse* examines the origins of social welfare both public and private from the days of the colonial poorhouse through the current tragedy of the homeless The book explains why such a highly criticized system persists Katz explores the relationship between welfare and municipal reform the role of welfare capitalism eugenics and social insurance in the reorganization of the labor market the critical connection between poverty and politics in the rise of the New Deal welfare state and how the War on Poverty of the 60s became the war on welfare of the 80s *Governance and Performance* Carolyn J. Heinrich, Laurence E. Lynn (jr.), 2000 Drawing on recent advances in social science these essays demonstrate how rigorous theory based research in public management can improve government performance They reflect the improved techniques in data and statistics which allow researchers to construct more incisive models of governance
