Untitled On Lincoln:

The Madness of Mary Lincoln Jason Emerson, 2007-09-25 WINNER Russell P Strange Memorial Book of the Year Award from the Illinois State Historical Society 2007 University Press Books for Public and Secondary Schools 2013 edition In 2005 historian Jason Emerson discovered a steamer trunk formerly owned by Robert Todd Lincoln's lawyer and stowed in an attic for forty years The trunk contained a rare find twenty five letters pertaining to Mary Todd Lincoln's life and insanity case letters assumed long destroyed by the Lincoln family Mary wrote twenty of the letters herself more than half from the insane asylum to which her son Robert had her committed and many in the months and years after The Madness of Mary Lincoln is the first examination of Mary Lincoln's mental illness based on the lost letters and the first new interpretation of the insanity case in twenty years This compelling story of the purported insanity of one of America's most tragic first ladies provides new and previously unpublished materials including the psychiatric diagnosis of Mary's mental illness and her lost will Emerson charts Mary Lincoln's mental illness throughout her life and describes how a predisposition to psychiatric illness and a life of mental and emotional trauma led to her commitment to the asylum The first to state unequivocally that Mary Lincoln suffered from bipolar disorder Emerson offers a psychiatric perspective on the insanity case based on consultations with psychiatrist experts This book reveals Abraham Lincoln's understanding of his wife's mental illness and the degree to which he helped keep her stable It also traces Mary's life after her husband's assassination including her severe depression and physical ailments the harsh public criticism she endured the Old Clothes Scandal and the death of her son Tad The Madness of Mary Lincoln is the story not only of Mary but also of Robert It details how he dealt with his mother's increasing irrationality and why it embarrassed his Victorian sensibilities it explains the reasons he had his mother committed his response to her suicide attempt and her plot to murder him It also shows why and how he ultimately agreed to her release from the asylum eight months early and what their relationship was like until Mary's death This historical page turner provides readers for the first time with the lost letters that historians had been in search of for eighty years **Myth, Memory, and the Making of the American Landscape** Paul A. Shackel, 2001-09-30 Penetrating insight into the processes by which our collective historical memory is constructed Through a range of case studies the authors explore how and why certain landscapes and monuments are intentionally endowed with specific messages why certain stories are obscured or forgotten and how collective memories change over time James Delle Franklin and Marshall College The authors in this collection show how the creation of a collective memory of highly visible objects and landscapes is an ongoing struggle their meanings always being constructed changed and challenged The sites and symbols the authors address are nationally recognized and include a balance of places that illuminate class ethnic racial and historical experiences Focusing on material culture they explore the tensions that exist among various groups elite landowners the National Park Service preservationists minority groups who compete for control over the interpretation of American public history CONTENTS Foreword by Edward

Fraker,2012-11-09 Univeristy Press Books for Public and Secondary Schools 2013 edition Superior Achievement by the Illinois State Historical Society 2013 Throughout his twenty three year legal career Abraham Lincoln spent nearly as much time on the road as an attorney for the Eighth Judicial Circuit as he did in his hometown of Springfield Illinois Yet most historians gloss over the time and instead have Lincoln emerge fully formed as a skillful politician in 1858 In this innovative volume Guy C Fraker provides the first ever study of Lincoln s professional and personal home away from home and demonstrates how the Eighth Judicial Circuit and its people propelled Lincoln to the presidency Each spring and fall Lincoln

traveled to as many as fourteen county seats in the Eighth Judicial Circuit to appear in consecutive court sessions over a ten to twelve week period Fraker describes the people and counties that Lincoln encountered discusses key cases Lincoln handled and introduces the important friends he made friends who eventually formed the team that executed Lincoln's nomination strategy at the Chicago Republican Convention in 1860 and won him the presidential nomination As Fraker shows the Eighth Judicial Circuit provided the perfect setting for the growth and ascension of Lincoln A complete portrait of the sixteenth president depends on a full understanding of his experience on the circuit and Lincoln's Ladder to the Presidency provides that understanding as well as a fresh perspective on the much studied figure thus deepening our understanding of the roots of his political influence and acumen

The Inheritance Christopher Fulton, Michelle Fulton, 2018-11-08 Christopher Fulton's journey began with the death of Evelyn Lincoln late secretary to President John F Kennedy Through Lincoln crucial evidence ended up in Christopher's hands evidence that was going to be used to facilitate a new future for America But the U S government's position was clear that evidence had to be confiscated and classified and the truth hidden away from the public Christopher was sent to federal prison for years under a sealed warrant and indictment The Inheritance Christopher's personal narrative shares insider information from his encounters with the Russian Government President Ronald Reagan Donald Trump the Clinton White House the U S Justice Department the Secret Service and the Kennedy family themselves It reveals the true intentions of Evelyn Lincoln and her secret promise to Robert Kennedy and Christopher's secret promise to John F Kennedy Jr The Inheritance explodes with history changing information and answers the questions Americans are still asking while pulling them through a gauntlet of some of the worst prisons this country has to offer This book thrillingly exposes the reality of American power and sheds light on the dark corners of current corruption within the executive branch and the justice and prison systems
