2	Reasonable Behavior	
1	Very Informal Social Behavior	

Up Against The Law

**John Robertson Dunlap, Arthur Van
Vlissingen, John Michael Carmody**

Up Against The Law:

Up Against the Law Luca Falciola, 2022-09-15 As protest movements took to the streets during the 1960s and 1970s a group of lawyers joined forces with America's most confrontational activists. In pursuit of radical change themselves these militant attorneys went beyond providing mere representation. They identified with their clients, defied the habits of a conservative profession and formulated a corrosive critique of the legal system questioning the neutrality and transformative power of law. While exploiting the courtrooms as political forums they developed aggressive litigation strategies and became involved with the organization of protest. Drawing on extensive archival research and interviews historian Luca Falciola reconstructs this largely unmapped phenomenon and challenges the reader to think anew about the pivotal role of lawyers in social movements. At the heart of this book is the story of the National Lawyers Guild. Founded in 1937 the Guild represented the first integrated and progressive bar association of America. The Guild returned to prominence in the early 1960s at the vanguard providing legal aid to civil rights workers in the South. Since then leftist students, disobedient soldiers, rebellious inmates, radical minorities and revolutionary groups such as the Black Panther Party and the Weather Underground have relied on this cadre of sympathetic lawyers to defend and empower them. The Defender, 1916 The Bulletin of the Commercial Law League of America, 1920 *Industrial Management* John Robertson Dunlap, Arthur Van Vliissingen, John Michael Carmody, 1920 Proceedings of the ... Annual Meeting of the Most Worshipful Grand Lodge, Ancient Free and Accepted Masons of the State of Illinois Freemasons. Grand Lodge of Illinois, 1901 *Fire and Water Engineering*, 1921
