

Up From Agony

**James Augustus Henry Murray, Sir
William Alexander Craigie, Charles
Talbut Onions**

Up From Agony:

Roger Saltsman, 2009-06 Agony Hill is a compelling debut novel about a high school runner's self-discovery of friendship and life written by first-time author Roger Saltsman, a former Brevard College distance runner (1979-1981). Eric Roberts is a successful runner in a small town in North Carolina who finds himself up against a better runner, Trey Allison, the only runner he could not beat. But Eric discovers there is more to life than winning. In an instant, his life changes, and he finds himself searching his soul to find out what is really important to him: running or friendship or both. Along with his good friend Mary and an unlikely coach, he finds the answer. Agony Hill is a beautifully crafted tale that's heartbreaking, inspiring, and uplifting. It captures what it is like to win again.

Ambushed (Dark Reflections Volume 3) Dean Murray, 2014-08-06 Adriana Paige has survived not one but two vampire attacks in less than twenty-four hours, and unless she's able to master her ability to share other people's dreams, the attacks are only going to get worse. Taggart has promised to train Adri, but he's got even more enemies than she does, and there's no guarantee that he'll be able to keep her from being caught in the crossfire. More than anything else, Adri wants to talk to shape-shifter Alec Graves, but he's gone strangely silent. There's no way for Adri to know if that's because he's no longer interested in her or if it's simply because he's still on the run from his ruthless father, Kaleb. As enemies, both new and old, start closing in on Adri, she's starting to worry that she might be forced into choosing between Taggart, the man who saved her life, and Alec, the guy to whom she feels inexplicably connected. Publisher's Note: Dean Murray's ongoing Reflection Series has been a stunning success, with hundreds of thousands of copies in circulation and a rich, complex world where choices, right or wrong, have real, profound consequences. Unsatisfied with the restrictions imposed on him by writing inside of the conventional series structure, Dean has returned to Sanctuary, and the characters so many fans have fallen in love with. Ambushed is the third of Dean's new Dark Reflections novels, an alternate timeline set in the same world and featuring many of the same characters, but with a profoundly different backstory. Dean finally answers many of the questions that his most dedicated readers have been asking themselves for years: What would have happened if Alec's father hadn't been murdered by the Council? How would Adri's life have changed if her family hadn't been shattered in a horrific accident? The answers may surprise you, but one thing is for sure: you'll see new sides of familiar faces, and when all is said and done, you'll never be able to look at some of them the same. Readers new to Dean Murray's writing can start with Bound in the Dark Reflections Series or Broken in the Reflections Series.
