LEWISOHN*,2018      **Up Stream** Ludwig Lewisohn,2017-10-15 Excerpt from *Up Stream An American Chronicle* Some such perception and some such motive is in the consciousness Of every serious novelist and in that of every thinker But the novelist sacrifices to a form and the thinker to a system Each has had an anterior vision into which he lets his facts and even his emotions melt And this anterior vision of a fable in the one case Of a logical structure in the other is nothing but a mask For both the novelist and the philosopher is only an autobiographer in disguise Each writes a confession each is a lyricist at bottom I too could easily have written a novel or a treatise I have chosen to drop the mask About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do

however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The American Diaries, 1902-1926** Theodore Dreiser,2015-09-30 Dreiser s careful preservation of his papers bears new fruit with the publication of his personal diaries for the years 1902 26 This volume presents all seven of Dreiser s hitherto unpublished American diaries the intermittent journals he kept during the most productive years of his literary career Together they constitute a revealing self portrait as well as a valuable commentary on the American scene during the first quarter of the twentieth century They offer reflections on turn of the century Philadelphia the American South and Mid West Greenwich Village of the nineteen teens and Hollywood of the twenties The diaries begin in 1902 when Dreiser was at a low point after the suppression of *Sister Carrie* and continue until 1926 when he was enjoying the greatest success of his career with *An American Tragedy* This publication constitutes in its entirety a new source for biographical and critical study This is particularly true of the diaries covering Dreiser s experience in Philadelphia Greenwich Village and with Helen Richardson all of which were not available to previous biographers The present Introduction by Professor Riggio is the first biographical narrative to make use of these materials Future biographers will now be able to speak with more assurance of Dreiser s whereabouts the people he knew what he was reading which writings were in progress and of his fascinating private affairs in general In addition these diaries will be of interest to students of Dreiser s literary art as they reveal subtle aspects of how Dreiser viewed the external world and transmuted it in his daily creative efforts
