Upon Further Review Mike Pesca, 2018-05-15 From Mike Pesca host of the popular Slate podcast The Gist comes the greatest sports minds imagining how the world would change if a play trade injury or referee's call had just gone the other way Intriguing thought provoking delightful The Washington Post No announcer ever proclaimed Up Rises Frazier Havlicek commits the foul trying to steal the ball or The Giants Lose the Pennant The Giants Lose The Pennant Such moments are indelibly etched upon the mind of every sports fan Or rather they would be had they happened Sports are notoriously games of inches and when we conjure the thought of certain athletes like Bill Buckner or Scott Norwood we can't help but apply a mental tape measure to the highlight reels of our minds Players coaches and of course fans obsess on the play when they ask What if Upon Further Review is the first book to answer that question Upon Further Review is a book of counterfactual sporting scenarios In its pages the reader will find expertly reported histories where one small event is flipped on its head and the resulting ripples are carefully documented the likes of What if the U S Boycotted Hitler's Olympics What if Bobby Riggs beat Billie Jean King What if Bucky Dent popped out at the foot of the Green Monster What if Drew Bledsoe never got hurt Upon Further Review takes classic arguments conducted over pints in a pub and places them in the hands of dozens of writers athletes and historians From turning points that every sports fan rues or celebrates to the forgotten would be inflection points that defined sports Upon Further Review answers age old questions and settles the score even if the score bounced off the crossbar
