Chaim Arlosoroff, Shlomo Grodzensky, Rebecca Schmuckler, 1929 **Personal Narratives of Teacher Knowledge** Betty C.
Eng, 2022-01-01 This book illustrates how the experiential histories of teachers shape and inform the knowledge of teachers
as professionals Situating personal experiences into the context of social political and economic events gives clarity to the
intercultural dynamics of being Chinese and Western What can we learn from each other to transform our teaching and
learning The book engages in a cross cultural perspective that is highly relevant for teachers teacher education curriculum
making and policy planning for a global community The book is also an invitation to internationalize the classroom for
teaching and learning in a diverse and global world and to educators and policy makers to expand our understanding of cross
cultural complexities for an increasingly diversified and global community By viewing the classroom through the multiple
lens of different cultures educators have an opportunity to cross over to see experience and understand how others live

United Nations, 2023-11-02 Rice plays an important role in Myanmar s agricultural economy livelihoods and food security The
country possesses favourable conditions to enhance rice productivity quality and export opportunities across the value chain
Achieving this involves improving farm level productivity processing practices and overall rice competitiveness Effective
strategies include adopting and expanding good agricultural practices GAP to enhance food safety and quality Gaps in
knowledge access and efficiency of inputs and services for rice were identified through a comprehensive GAP situational
analysis Validation was achieved through research discussions with market actors and stakeholders as well as insights from
FAO experts and extensive data research The objective of GAP dissemination involves a systematic impact oriented approach
with stakeholder involvement Context specific information will be collected at the farmer s field Capacity building efforts
involve lead farmer organizations public private partners and value chain actors The framework contains pre and post
harvest practices tailored for small and medium farmers supported by farmer organizations sensitization technical assistance
and market linkages On farm demonstrations farmer field schools training and information and communications technology
ICT tools supplement GAP promotion User friendly integrated pest management IPM handbooks and Farmer Field School
