Upstaging God

John Chapman, Garrison P. Sherwood

Upstaging God:

Upstaging God Pelle Karlsson, Pelle Karrison, 1996 In *Upstaging God* Pelle Karlsson takes a painfully honest look at the show off mentality that's pulsating through many parts of the Church today. Dispelling the view that numbers and statistics are evidences of God's blessing, the author challenges church leaders toward greater humility and service. **The Oxford Handbook of Rhetoric and Political Theory** Dilip Parameshwar Gaonkar, Keith Topper, 2026-01-09 The resurgence of interest in rhetoric among political theorists is one of the most remarkable developments in the field over the past few decades. Assembling a multidisciplinary group of prominent scholars, *The Oxford Handbook of Rhetoric and Political Theory* is the most ambitious effort to date to display the range and vitality of work that constitutes the rhetorical turn in political theory. Including thirty-six chapters across five sections, the Handbook explores issues that reside at the heart of many of the most pivotal debates and discussions in political theory today: questions about the role of affect and emotion in political life; the work of persuasion in political discourse; the relationship between logic and style in political argument; the character and scope of public deliberation; the performative and constitutive dimensions of language; the play of contingency in political life; and the rhetorical structure of political texts. The volume's authors assess the changing status of rhetoric in political theory and philosophy, exploring disputes that arose in ancient Athens and have continued to the present day, as well as urgent issues that have only recently emerged. Moreover, the Handbook investigates different understandings of rhetoric that have animated recent scholarship and examines key issues and approaches that have fueled the burgeoning interest in rhetoric and political thought. *The Oxford Handbook of Rhetoric and Political Theory* demonstrates that an adequate understanding of political affairs cannot be attained without taking account the impact of rhetoric on political thought and conduct.

Believing God R.T. Kendall, 2003-08-01 This insightful commentary by the minister of Westminster Chapel in London, England, makes Hebrews 11 come alive. Author R.T. Kendall explores the nature of faith through heroes in Scripture while weaving in discussion of often-debated matters such as the sovereignty of God, creation, and prophecy. **Time, Space and the Human Body: An Interdisciplinary Look** Rafael F. Narváez, Leslie R. Malland, 2019-01-04 This volume was first published by Interdisciplinary Press in 2016. Concerns about the human body and soul and their relationship to the world around us are as old as Western Culture itself. Beyond philosophy and theology, these sorts of preoccupations have also marked the arts, literature, and poetry, and to be sure, they have influenced Western culture and have marked westerners' imaginations and our everyday understanding of human nature. This book considers various ways in which the body is and has been addressed and depicted over time, and it is also a reflection on the ways in which the very spaces that we design and inhabit likewise reflect perceived ideas and misconceptions about the human body. Getting Ready for Revival Stuart D. Reynolds, 2018-01-11 Pervaded by the stench of self satisfaction self obsession and self justification the Church in the West overcome by its culture finds herself in an ailing condition very few seem to want to mention never mind confront to correct Biblical imperatives often go unheeded in the pew largely because they are unsounded from the pulpit as we live out our own dark and more sinister version of the Emperors New Clothes Drawing primarily from the scriptures along with other revival writers such as Finney Tozer Ravenhill Getting Ready for Revival seeks to stimulate our minds out of our ignorance of Gods Word and stir our hearts over our forgetfulness of God returning us to the wells we did not dig Deut 6 1012 of Gods provision and insistence that we may not die in the graves our own wells are

The Corinthian Women Prophets Antoinette Wire, 2003-10-03 I am impressed Wire's method a close scrutiny of Paul's rhetoric to reconstruct the audience of the letter is intriguing and fruitful Ross Shepard Kraemer Editor of *Maenads Martyrs Matrons and Monastics* Antoinette Wire has written an excellent and much needed book on the Corinthian women prophets A careful analysis of the rhetoric of Paul's argument has enabled Wire to reconstruct the theological understanding of the Corinthian Christian women and to show how Paul's loss of social status in becoming a Christian affected his theology and how their gain in status influenced theirs An important book for feminist biblical scholarship for our understanding of early Christianity and for our understanding of how social status and theology may interrelate Joanna Dewey Episcopal Divinity School Cambridge Mass

Misunderstood Stories Robert Karl Gnuse, 2014-03-20 Narratives in Genesis 1 11 have been misunderstood in many ways but they especially have been used to oppress women and African Americans and to present a God of wrath and judgment This commentary seeks to explain the real message behind those narratives which is one that speaks of human dignity and equality that affirms monotheism that criticizes kings and tyrants that declares our oneness with the animal realm and nature and that proclaims a powerful message of divine grace with a deity personally involved in the human world Humor may also be found in some of these stories These biblical passages can be best explicated by close reading as well as by knowledge of comparable stories from the ancient Near East and from the classical world and finally by knowledge of the concomitant social and political values connected with those other myths and narratives
