Sticks and Stones Jeff Abrams, 2011-03-24 It wasn't true what was said about me not even close But people believed it and passed it on My life was awful I couldn't eat I couldn't sleep I took showers so I could cry without disturbing my family Finally my attackers ran out of rocks or they moved on to somebody else Either way things got better A friend told me that if I lived my life according to God's Will most people would eventually see that the gossip was false He was right Today my life is better than ever My faith in God and others is strong I've forgiven those who lied about me and those who listened At least I hope I have I've also learned to be a lot more careful about what I say about others and about what I allow others to say to me As this book points out people are fragile Reading Sticks and Stones has helped me If you have a story similar to mine I hope and pray it will help you Anonymous
