

J. M. W. TURNER
The 'Wilson' Sketchbook

Wilson Sketchbook

**Donald W. Croop, Wilson Historical
Society**

Wilson Sketchbook:

J. M. W. Turner the 'Wilson' Sketchbook Andrew Wilton, 2020 Turner's sketchbooks were private things which he kept to himself. They might live for some time in his coat pockets or travel bags to be pulled out as need arose. In the studio they served as memory banks for future work. Of the nearly three hundred sketchbooks in Turner's house at the time of his death and now in the care of the Clore Gallery, the little book here reproduced is one of the most delightful and fascinating. It marks an important stage in the development of Turner's practice as a draughtsman and was in use when he was only 21 years old. It is a working notebook in which the pressing demands of an increasingly fertile imagination are given expression as it forges a new language for itself, a language that was to affect the history of both water colour and oil painting in the romantic period and long afterward. Originally marked with 'Copies of Wilson' on the cover, this charming little book is a testimony to the phase of studenthood in Turner's development. Richard Wilson being the supreme exponent of landscape painting in the eighteenth century in Britain. For Turner, whose lifelong ambition was to show the world that landscape paintings could be a vehicle for the noblest and most ideas, Wilson was as this book shows his hero and chief model. This edition of the sketchbook reproduces all these beautiful drawings and watercolours in facsimile with an illustrated

introduction by Turner expert Andrew Wilton discussing their background and impact. **The 'Wilson' Sketchbook** Joseph Mallord William Turner, Andrew Wilton, 1988-01-01 **Wilson Sketchbook** Donald W. Turner Franny Moyle, 2016-10-25 The life of one of Western art's most admired and misunderstood painters. J. M. W. Turner is one of the most important figures in Western art and his visionary work paved the way for a revolution in landscape painting. Over the course of his lifetime, Turner strove to liberate painting from an antiquated system of patronage. Bringing a new level of expression and color to his canvases, he paved the way for the modern artist. Turner was very much a man of his changing era. In his lifetime, he saw Britain ravaged by Napoleonic wars, revived by the Industrial Revolution, and embarked upon a new moment of Imperial glory with the ascendancy of Queen Victoria. His own life embodied astonishing transformation. Born the son of a barber in Covent Garden, he was buried amid pomp and ceremony in St Paul's Cathedral. Turner was accepted into the prestigious Royal Academy at the height of the French Revolution, when a climate of fear dominated Britain. Unable to travel abroad, he explored at home, reimagining the landscape to create some of the most iconic scenes of his country. But his work always had a profound human element. When a moment of peace allowed travel into Europe, Turner was one of the first artists to capture the beauty of the Alps, to revive Venice as a subject, and to follow in

Byron's footsteps through the Rhine country While he was commercially successful for most of his career Turner's personal life remained fraught His mother suffered from mental illness and was committed to Bedlam Turner never married but had several long term mistresses and illegitimate daughters His erotic drawings were numerous but were covered up by prurient Victorians after his death Turner's late impressionistic work was held up by his Victorian detractors as example of a creeping madness Affection for the artist's work soured John Ruskin the greatest of all 19th century art critics did what he could to rescue Turner's reputation but Turner's very last works confounded even his greatest defender

TURNER humanizes this surprising genius while placing him in his fascinating historical context Franny Moyle brilliantly tells the story of the man to give us an astonishing portrait of the artist and a vivid evocation of Britain and Europe in flux *J.M.W. Turner: Standing in the Sun* Anthony Bailey,2013-09-05 Joseph Mallord William Turner is arguably Britain's greatest and most mysterious painter whose range of work encompasses seascape and landscape immensely powerful oil paintings and intimate watercolours His friend and colleague C R Leslie remembered him thus Turner was short and stout and had a sturdy sailor like walk He might be taken for the captain of a river steamboat at first glance but a second would find more in his face than belongs in any ordinary mind There was that peculiar keenness of expression in his eye that is only seen in men of constant habits of observation The son of a Covent garden barber and a woman who died in Bethlehem Hospital Turner achieved fame and fortune during his lifetime Although he possessed a wide ranging imagination he was an often incoherent speaker and writer and his muddled will produced much discord it is a wonder that despite avaricious relatives and incompetent lawyers so many of his works are now in the hands of the nation and publicly proclaim his genius In this previously unavailable biography Anthony Bailey has drawn upon archival material scholarly literature and research as well as studying many of Turner's sketchbooks paintings and watercolours Uncovering fresh material as well as pulling together previously known facts Bailey sheds new light on this complicated and secretive artistic figure

Diary of the Terra Nova Expedition to the Antarctic, 1910-1912 Edward Wilson,1972

August Strindberg and Visual Culture Jonathan Schroeder,Anna Westerstahl Stenport,Eszter Szalczar,2018-09-20 August Strindberg and Visual Culture addresses the multiplicity of Strindberg's artistic and literary output The book charts the vital intersections between theatre aesthetic theory and visual elements in his work that have been left largely unexplored Rather than following traditional genre bound critical approaches this book focuses on the intermediality of individual works the corpus as a whole and their connections to a wide array of historical and contemporary artists writers photographers film theatre and museum practitioners The book is beautifully illustrated with many never before seen images from Strindberg's work and includes contributions from actress Liv Ullmann director Robert Wilson and curator and museum director Daniel Birnbaum
