Using LEGO Software Power Tools LEGO Master Builders have created a powerful set of tools that are distributed as
freeware to the LEGO community to assist LEGO fans in their building adventures Until now these tools have been difficult to
find and even more difficult to configure to work with one another Here in one book readers will find steps for installing and
using all of the most popular LEGO freeware applications Also all of the applications are consolidated into one simple to
install program that allows readers to be up and running in minutes Wide market appeal This book will appeal to the huge
established consumer base of the LEGO community as well as to children parents and teachers who may have been
intimidated by the difficulties of bringing all of these applications under one roof The only book of its kind to cover the wide
variety of applications available Some books in the past have touched on one or two of these LEGO applications but none has
covered them all in such detail CD provides all of these freeware applications in one easy to install program Included CD
packs more than 8 applications into one easy to use format making it easy for readers to have access to all of these
applications in minutes and avoid the headaches of trying to download install configure set up folder structures and
troubleshoot such a wide variety of loosely related freeware applications Will coincide with the release of Lpub This will be
the first in depth look at LPub the new creation of Kevin Clague which ties LDraw MLCad L3P and POV Ray together to allow
