Liker,David Meier,James K. Franz,2013-09-20 Four E Books in One The Toyota Way TOYOTA The name signifies greatness world class cars and game changing business thinking In factories around the world Toyota consistently makes the highest quality cars with the fewest defects of any competing manufacturer while using fewer man hours less on hand inventory and half the floor space of its competitors The international bestsellerThe Toyota Way written by Jeffrey Liker is the first book for a general audience that explains the management principles and business philosophy behind Toyota s worldwide reputation for quality and reliability The Toyota Way Fieldbook The Toyota Way Fieldbook is a companion to the international bestseller The Toyota Way The book builds on the philosophical aspects of Toyota s operating systems by detailing the concepts and providing practical examples for application that leaders need to

bring Toyota's success proven practices to life in any organization. *The Toyota Way to Lean Leadership* In *The Toyota Way to Lean Leadership* Jeffrey Liker and Gary L. Convis present a four-step model top leaders can use to create a culture dedicated to continuous improvement. The authors provide the tools to getting employees to refocus their efforts from simply performing their singular function to delivering value across all functions. Managers learn how to foster self-development in every employee at every level, put each employee in the position to develop others and remove obstacles, and set the types of goals that ensure every team contributes to continuous improvement and the attainment of long-term goals. *The Toyota Way to Continuous Improvement* In *The Toyota Way to Continuous Improvement* Jeffrey Liker, bestselling author, teams up with former Toyota production engineer James Franz to explain the underlying thinking behind continuous improvement and why any company needs a disciplined approach to process improvement in every part of the organization. Liker and Franz outline the common mistakes in thinking that limit results and they reveal how Toyota achieves its dual objectives of improving business performance and developing its people through following Dr. W. Edwards Deming's teachings of Plan-Do-Check-Adjust (PDCA).

[The Art of Voice Acting](#) James R. Alburger, 2023-12-27 Now in its seventh edition *The Art of Voice Acting* covers all aspects of the craft and business of performing voiceover. Starting with the basics of voice acting, every aspect of the craft and business of performing voiceover is explained in detail, including how to get started, performing techniques, setting up a personal recording space, voiceover demos, the basics of running a voiceover business, unions, and much, much more. This edition is completely updated with all new scripts, discussions of the latest trends in voiceover, and contributions from some of the voiceover industry's top performers, casting directors, and agents. The book provides a wealth of practical information that can be put to work immediately, as well as hundreds of references to websites and other useful resources. Anyone interested in acting, storytelling, any area of voiceover, or simply improving verbal communication skills will benefit from this book. Although *The Art of Voice Acting* is a great learning tool for the beginner, it will also serve the experienced performer well as a reminder of performing and business tools that are essential in today's world of acting and voiceover.
