Working Hard:

The Art Of Working Hard Zacharias Taneë Fomum, 2015-05-17 The Art of Working Hard is a great piece of advice from God to ensure your success at all levels This book is a truly revolutionary manual and an incentive to let go of laziness and work with all our might in order to accomplish the purpose for which God created us The Author Z T Fomum makes us understand that it is almost impossible to work hard without a goal in sight and that this goal must be big enough to require God's intervention In addition one must jealously keep this goal in view so as not to lose it while planning one's work to ensure its success However in order for a goal to be accomplished one must be determined to work under pressure while pushing forward or pressing on Make this book your companion

Are You Working Hard or Hardly Working? Bryan Smith, 2023-06-16 Work hard until the job is done That is the message Isaac hears repeatedly from his teacher his coach and his mom They have to keep reminding him to finish his tasks because Isaac always always puts fun first During math class Isaac quits an assignment because a robot on a faraway computer monitor is too cool to ignore At tennis practice he stops doing drills because he wants to spice things up by whacking tennis balls so hard they soar over the fence like out of the park homers When his mom promises a trip to the zoo if he cleans his room Isaac crams stuffs and piles every dirty shirt game and candy wrapper into a closet and calls it clean When the mess spills out burying his mom the zoo trip is delayed until he cleans his room the right way Isaac is so busy looking to have fun he ignores his responsibilities and all the work he needs to finish Will it make any difference when a caring teacher introduces him to four simple steps that can help him focus and finish tasks Or will Isaac keep making more work for himself by putting fun first Are You Working Hard or Hardly Working offers a timely message about the importance of having a strong work ethic and maintaining balance between work and play A special tips page written specifically for parents and teachers offers helpful ideas on how to empower kids to stay focused and on task

More than a Cog David Baron, 2014-04-07 MORE than a COG is a guide meant to help regular employees learn how they can get more out of their jobs while becoming indispensable to their companies. For as long as I can remember I have worked alongside some number of regular employees. And they have all complained about their positions, their compensation and their companies. And they never understood why they were in the positions they were or why others such as myself were treated so differently. Finally after years of being exposed to such tribulations and coupled with the past several years of hard times for the American work force I decided to try to help all of those regular employees become more than regular. Are you a Cog in some big machine of a Company? It's OK most of us are. But are you secure in your position within that company? Are you getting recognized and compensated the way you think you should? Whether you're flipping burgers for McDonalds, bending fenders for GM or counting beans for Earnst Young you need to be more than just another Cog; you need to be the best. Learn how great employees work at a career not just a job. Don't allow time inexperience or overconfidence to limit them. Understand and honor the two way relationship between themselves and their company. Make sure that everyone knows what needs to be known. Recognize and act upon opportunities to shine. Honor commitments that may have been made. Manage supervisor and customer expectation levels. Show pride in hard jobs done well. Take responsibility when things go wrong. Recognize that superiors and customers are partners for success. This ground breaking manual for employees can show you how to increase your value to your company while increasing the amount of joy and pride you take in your work. Here are some of the strong
