Work-Life Tango Kristel Bauer,2024-11-19 The familiar concept of work life balance endures but does anyone actually boast of having a healthy ratio of work and personal time Very few do because our model for work life leads to burn out it asks individuals to chase a dream where work and life are both equal and distinct where the demands of one do not contradict the demands of another Simply giving 100% to the twin pillars of your life will not give you the work life balance you crave The good news is there s a much more intelligent holistic and effective way to live your life Life has never fit into tidy little boxes Family and social needs don t stop between 9 00 a m and 5 00 p m and work pressures bleed into the hours between 5 01 p m and 8 59 a m all the time And since the pandemic the lines have become even more blurred with remote workers bearing the brunt of the impact It s time to embrace new wellness strategies This book will show how taking a holistic and integrative approach to the complex demands of life and work will transform your happiness and productivity The book will contain three parts Part I will focus on strategies to thrive as an individual specifically maintaining a healthy mind and body by prioritizing oneself You ll learn how to integrate healthy lifestyle habits into and throughout your workday so that taking care of yourself won t compete with productivity but will support it Part II will focus on thriving at work You ll learn about checkpoints and how to use these moments to wake up and realign your well being with your personal mission You ll learn how to create healthy boundaries work through the common challenges that remote workers face and provide approachable solutions that you can immediately start integrating into your work life Team leaders will gain key insights for managing remote and flexible teams so that they can create the conditions for success Part III is about thriving in relationships While community and connection are vital to well being many workers struggle to form and maintain these bonds This book will explain why connection is vital and show how to encourage it By identifying your personal mission and integrating the wellness strategies provided in *TheWork Life Tango* you ll be able to show up 100% in all aspects of life in your career for your family and friends and for yourself **The Life Work of Henri René Guy de Maupassant** Guy de

Maupassant,1903 The Life and Correspondence of Thomas Arnold, D.D Arthur Penrhyn Stanley,1887 *Works of Ralph Waldo Emerson* Ralph Waldo Emerson,1889 *Catalogue of the reference department of the Aston Manor public library* Robert Kirkup Dent,1898 *Life* ,1890 **The Life & Works of Saint Vincent de Paul** Pierre Coste,1952
