# Works Of Horace

**Horace**

## Works Of Horace:

*The Complete Odes and Epodes* Horace, 1997 Horace 65 8 BC was one of the greatest of all lyric poets He enjoyed the friendship and support of the rulers of the Roman world and praised them without forfeiting his independence of spirit He admired Greek poetry and emulated it in his own distinctive love poems which are the more effective for being understated and the Odes and Epodes are subtle robust and laced with a complex sense of humour Horace s greatest creation is his own character and his legacy is his enduring influence upon the lyric poetry of Europe David West s superb new translation is supplemented by a helpful introduction illuminating Horace s unique poetic voice extensive notes a chronological survey and a glossary of names This edition also includes the Secular Hymn and Suetonius Life of Horace **The Works of Horace** Horace, 1882 *The Works of Horace* Horace, 1881 The Works of Horace Horace, 2015-04-30 The Works of Horace from Horace Leading Roman lyric poet 65 8B C The Works of Horace Horace, 1856 The Works Of Horace Horace, 2019-03-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Complete Odes and Epodes of Horace** Horace, Quintus Horatius Flaccus, 2017-01-18 The Complete Odes and Epodes of Horace The Works of Horace Translated literally into English prose By C Smart A M Quintus Horatius Flaccus December 8 65 BC November 27 8 BC known in the English speaking world as Horace was the leading Roman lyric poet during the time of Augustus The rhetorician Quintilian regarded his Odes as just about the only Latin lyrics worth reading He can be lofty sometimes yet he is also full of charm and grace versatile in his figures and felicitously daring in his choice of words Horace also crafted elegant hexameter verses Satires and Epistles and caustic iambic poetry Epodes The hexameters are amusing yet serious works friendly in tone leading the ancient satirist Persius to comment as his friend laughs Horace slyly puts his finger on his every fault once let in he plays about the heartstrings The Epodes belong to the iambic genre of blame poetry written to shame fellow citizens into a sense of their social obligations Horace modelled these poems on the work of Archilochus Social bonds in Rome had been decaying since the destruction of Carthage a little more than a hundred years earlier due to the vast wealth that could be gained by plunder and corruption and the troubles were magnified by rivalry

between Julius Caesar Mark Antony and confederates like Sextus Pompey all jockeying for a bigger share of the spoils One modern scholar has counted a dozen civil wars in the hundred years leading up to 31 BC including the Spartacus rebellion eight years before Horace s birth Odes 1 3 were the next focus for his artistic creativity He adapted their forms and themes from Greek lyric poetry of the seventh and sixth centuries BC The fragmented nature of the Greek world had enabled his literary heroes to express themselves freely and his semi retirement from the Treasury in Rome to his own estate in the Sabine hills perhaps empowered him to some extent also yet even when his lyrics touched on public affairs they reinforced the importance of private life
