## **World In Focus France:**

*France in Focus* Jean B. Lynch,2006 France has taken its own course for centuries and it continues to do so Its immigration policies have now led to very widespread and very public burnings of automobiles and rioting Its millions of Arab citizens with their high birth rates high unemployment rates and high frustration levels have reached the level of ignition Can France put this situation back into the bottle or can it change its policies in time to prevent a constant level of civil unrest This book examines those policies themselves as well as France s foreign policies which are intertwined with the problems
