## World Of Festivals:

Focus On World Festivals Chris Newbold, Jennie Jordan, 2016-02-29 A contemporary overview of festival activity based on over 30 international case studies It demonstrates how the nature of festivals crosses borders how they are a recognisable and growing part of societal and cultural delivery around the globe and that their impacts economic social and cultural are a major driver in their development

World Festivals Oliver Scott, AI, 2025-03-06 World Festivals explores the fascinating world of cultural celebrations and global traditions highlighting the profound impact of these events on communities worldwide Festivals are not just about having fun they are critical to cultural heritage reinforcing cultural identity and preserving collective memory Readers will discover how festivals often originate from agricultural cycles religious observances or historical events evolving over centuries to reflect changing societal values This book offers a unique lens through which to view world history and understand the social impact of shared rituals The book progresses systematically beginning with the historical origins of festivals and moving into specific categories like harvest festivals and religious celebrations It then examines the social impact of festivals including their role in community building and tourism What sets this book apart is its global perspective drawing on historical texts ethnographic studies and firsthand accounts to compare and contrast festivals across different cultures Ultimately World Festivals argues that these celebrations are vital expressions of human culture fostering empathy and promoting cross cultural understanding in an increasingly interconnected world
