

The poster features a dark, atmospheric background. At the top, a close-up of a person's face is shown, but it is heavily distorted with vertical, jagged, black lines that resemble digital corruption or a glitch effect. The eyes are visible through the gaps. Below this, the title 'DARKER NEEDS' is written in a large, stylized, metallic font. The word 'DARKER' is in a darker shade, while 'NEEDS' is in a lighter, glowing shade. In the center, a small, futuristic spaceship with blue lights is positioned above the horizon of the moon. The moon's surface is detailed with craters and is illuminated from the right. At the bottom, the tagline 'WHERE SANITY DIES' is written in a bold, sans-serif font. Credits for the cast and crew are listed at the very bottom.

The Outer Darkness:

What Is the Outer Darkness? Kasey Tacker, 2021-07-08 In Christianity the exterior darkness or outer darkness is a place referred to three times in the Gospel of Matthew 8 12 22 13 and 25 30 into which a person may be cast out and where there is weeping and gnashing of teeth Generally the outer darkness is thought to be hell however many Christians associate the outer darkness more generally as a place of separation from God or from the metaphorical wedding banquet that Jesus is expected to have upon his Second Coming A discussion between Zane Hodges and Bob Wilkin on the nature of the outer darkness in Matthew They show it does not refer to hell The Outer Darkness Marty Andrew Cauley, 2012-09-01 Volume two of The Outer Darkness contains the remaining 6 chapters plus 19 appendixes and houses the endnotes and indexes for the entire two volume set Indexes are provided for author subject extrabiblical biblical Greek Hebrew and Slavonic citations To help the visually oriented reader over 375 illustrations are provided within the set covering a wide range of topics and a wide assortment of illustrative techniques such as pictures graphs flow charts and syllogisms Surprisingly perhaps not all defenders of unconditional security within the Free Grace camp would regard the outer darkness as a misthological issue They would see it as being a strictly soteriological issue thus pertaining to salvation from eternal damnation Their arguments have been addressed as well Some writers within the Free Grace community interpret some of the passages regarding the outer darkness soterically but acknowledge that at least one passage is mistholic and thus applicable to believers as a reward issue Although Cauley prefers an exclusively misthological view of the outer darkness he does entertain the plausibility of such a soteric mistholic duality under the auspices of his Principle of Correlativity This principle allows him to integrate divergent points of views held by various kingdom writers regarding the outer darkness For example what impact does one's understanding of the outer darkness have within kingdom circles upon one's interpretation of the Bride of Christ Gehenna and the Second Death Presently kingdom writers are disagreed among themselves as to the exact nature of these potentially intertwined issues Does a misthological understanding of the outer darkness necessarily infer a misthological understanding of the Bride In other words will all believers compose the Bride even if some of them are cast into the outer darkness Does being cast into the outer darkness necessarily entail being cast outside of the kingdom into Gehenna for a thousand years before being allowed into the eternal kingdom Might a believer be hurt by the Second Death For many years Joseph Dillow's book *The Reign of the Servant Kings* was the most comprehensive treatment of such matters within the Free Grace community He took what might he termed a classical view of the above issues More recently Dillow has performed a synthesis between the classical view and the more extreme views of Gehenna into what The Outer Darkness refers to as a Preteristic Gehenna Bema However this neo Dillowian perspective might be further synthesized with the classical Dillowian perspective into what The Outer Darkness refers to as a Neoclassical Position Therefore The Outer Darkness not only interacts with both the classical Dillowian and neo Dillowian perspectives but also provides the foundation for what comes

Christian Scriptures William Kingsland,1937 Goes back to the initial teachings that were used in the creation of the Christian religion and demonstrates that they were actually derived from the Gnosis or Ancient Wisdom Gnosis is a Greek word meaning knowledge or to know In the early Church those who were mystics or Gnostics were rejected and considered heretics What makes this book so important is that it identifies certain mystical teachings from early times as rightfully belonging in the Church According to Kingsland this is the real Christian message as originally understood by the Gospel writers

Pistis Sophia and The Corpus Hermeticum ,1947-01-01 It came to pass when Jesus had risen from the dead that he passed eleven years discoursing with his disciples and instructing them only up to the regions of the First Commandment and up to the regions of the First Mystery that within the Veil within the First Commandment which is the four and twentieth mystery without and below those four and twenty which are in the second space of the First Mystery which is before all mysteries the Father in the form of a dove What the First Mystery surroundeth And Jesus said to his disciples I am come forth out of that First Mystery which is the last mystery that is the four and twentieth mystery And his disciples have not known nor understood that anything existeth within that mystery but they thought of that mystery that it is the head of the universe and the head of all existence and they thought it is the completion of all completions because Jesus had said to them concerning that mystery that it surroundeth the First Commandment and the five Impressions and the great Light and the five Helpers and the whole Treasury of the Light And moreover Jesus had not told his disciples The regions of the great Invisible the total expansion of all the regions of the great Invisible and of the three triple powers and of the four and twenty invisibles and all their regions and their ons and their orders how they are extended those which are the emanations of the great Invisible and their

ungenerated and their self generated and their generated and their light givers and their unpaired and their rulers and their authorities and their lords and their archangels and their angels and their decans and their servitors and all the houses of their spheres and all the orders of every one of them The Treasury of the Light And Jesus had not told his disciples the total expansion of the emanations of the Treasury nor their orders how they are extended nor had he told them their saviours according to the order of every one how they are nor had he told them what guard is at every gate of the Treasury of the Light nor had he told them the region of the Twin saviour who is the Child of the Child nor had he told them the regions of the three Am ns in what regions they are expanded nor had he told them into what region the five Trees are expanded nor as to the seven Am ns that is the seven Voices what is their region how they are expanded The Light world And Jesus had not told his disciples of what type are the five Helpers nor into what region they are brought nor had he told them how the great Light hath expanded itself nor into what region it hath been brought nor had he told them of the five Impressions nor as to the First Commandment into what region they have been brought But he had discoursed with them generally teaching that they exist but he had not told them their expansion and the order of their regions how they are For this cause they have not known that there were also other regions within that mystery And he had not told his disciples I have gone forth out of such and such regions until I entered into that mystery and until I went forth out of it but in teaching them he said to them I am come forth from that mystery For this cause then they thought of that mystery that it is the completion of completions and that it is the head of the universe and that it is the total Fulness For Jesus had said to his disciples That mystery surroundeth that universe of which I have spoken unto you from the day when I met with you even unto this day For this cause then the disciples thought there is nothing within that mystery *Books of the Saviour W. Iamwe Ph.D.,2021-02-01* The resurrection teachings Jesus taught to his disciple Matthew 13 10 confirms the separate teachings The disciples came to Jesus and asked Why do you speak to the people in parables He replied The knowledge of the secrets of the kingdom of heaven has been given to you but not to them For this people s heart has become calloused they hardly hear with their ears and they have closed their eyes Otherwise they might see with their eyes hear with their ears understand with their hearts and turn and I would heal them This is why I speak to them in parables Though seeing they do not see though hearing they do not hear or understand In them is fulfilled the prophecy of Isaiah You will be ever hearing but never understanding you will be ever seeing but never perceiving But blessed are your eyes because they see and your ears because they hear For truly I tell you many prophets and righteous people longed to see what you see but did not see it and to hear what you hear but did not hear it Matthew 13 10 16 It is not only important to fully understand all of the knowledge within Jesus teachings the level within the heavens you will inherit after your life depends upon it *The Deep Things of God Thomas Pulickal,2020-03-03* This book unfolds the eternal truths about the kingdom of God through the eight parables described in the gospel of Matthew chapter 13 emphasising Christ as the person of the fulfilment of all the types shadows figures pictures symbols illustrations

patterns events feasts ceremonies rituals sacrifices people promises prophecies and even the various laws of the old covenant These parables expose the three fold aspect of the judgement by which the old covenant remains completely abolished The first was when Christ crucified Adam in His body of flesh and separated Adam from Himself The second was when Christ as the Son of Man appeared in judgement over the nation of Israel and the temple in A D 70 through the Roman army destroying the entire old covenant system The third is the subjective experience of the objective reality of Christ s death to be manifested in each one of us personally through the new birth when we identify ourselves with Him by bearing His death and live by His life All the Parables concern themselves with the kingdom of God which is a spiritual kingdom formed within us when our created or soulish life is replaced with the divine life of God in Christ Jesus Since only Christ lives in His kingdom He invites us to live in and by Him who alone is the life thus destroying our Adamic nature that stands in opposition to the will of the Father by His abiding presence within us and enables the transition from Adam the living soul or the realm of death into Christ the life giving Spirit or the realm of life The Parables of Matthew 13 thus consummate the desire of Christ that they may be one when mankind irrespective of denomination caste colour creed and nationality live in and by the life of the One who died and rose for them establishing them in the Father *The Herald of the Cross.
