The Outcast System occurs in Africa and India In Nigeria outcasts are called Osu As freeborn myself I was brought up to see the outcast as lower class humans Our culture made it an abomination to have any relationships with them I was forbidden from marrying from their stock They could not hold some traditional titles and were never appointed Traditional Rulers These fell apart when I saw blood donation by an outcast The thoughts as to who would use the blood he donated bordered me After some reflections and applying Scientific Religious and Sociological knowledge I concluded that the Outcast System is baseless instituted in ignorance and being perpetuated in ignorance To illustrate I told the pitiable story of what would happen if a freeborn tries to marry an outcast This book will make the readers worldwide abandon the System without coercion or force of law The Outcasts ,1888 *The Outcasts* L.S.
