The Outdoor Revised Edition:

Barnestorming the Outdoors Kenneth Edward Barnes, 2020-09-22 This book is for those who enjoy the great outdoors whether it's hunting, fishing, or conservation. It contains about 107,000 words and has 80 of the author's outdoor articles and stories from the newspapers and magazines for which he has written. A few of the stories are humorous and even won awards from Hoosier Outdoor Writers of which Ken was a member for many years. Others are about the birds and animals we have lost in America. Most are about the joy of pitting your skill as a hunter or fisherman against a worthy opponent. Others are about just enjoying being in the outdoors alone with a friend or even with your faithful dog at your side. Ken has loved nature and the outdoors since he was a child. Because of this, a few of the stories are from his book about living on Little Pigeon Creek when he was a child. Stories such as *The Panther*, *The Elusive Quarry*, and *The Great Yankeetown Easter Egg Hunt* are some of them. Therefore, just sit back and be prepared to laugh, cry, or feel nostalgic as you experience *Barnestorming the Outdoors*.
