## **The Paper Route:**

**The Paper Route** Richard Haddock,2006-06-05 Seventeen year old Gary Matthews faced the same old story a new town new school making new friends His father was an Air Force pilot and they had just been stationed in Homestead Florida in 1958 Trying to avoid an unhappy home life and fill the void of his summer Gary stumbles upon a job that will change his life a colored paper route in Jim Crow Dixie To his surprise Gary soon makes scores of friends from the elderly widow Hattie Donovan to the vivacious Lucy Brown to Ty Shaw and his days of Negro League Baseball and friendship with the legendary Satchel Paige to an unlikely and dangerous romance with Joyce Rogers Gary soon faces redneck bullies at school as well as the biases of his own parents But when tragedy strikes Gary is comforted by the love and affection of those on his route His time on The Paper Route teaches Gary life lessons that will shape and guide him for years to come love compassion sorrow faith hopelessness and the indignities of life amongst the poor It is a remarkable touching experience of warmth kindness and learning how to see the world from another person s perspective [The Paper Route](#) Danny Howell,2017-07-03 Turn 16 then pay rent or get out home life is harsh in this brutish family and backwater town An effort to collect a bill from a customer on his paper route turns dangerous leading a fifteen year old boy to a discovery of a way out free of his oppressive home life and trap of a small town All he has to do is abandon the little brother who worships him **Henry and the Paper Route** Beverly Cleary,2009-10-06 Newbery Medal winning author Beverly Cleary gives readers a hero they ll relate to and root for in this comical and inspiring novel about Henry Huggins s mission to prove himself worthy of his very own paper route All the older kids work their own paper route but because Henry is not eleven yet Mr Capper won t let him Desperate to change his mind Henry tries everything he can think of to show he s mature and responsible enough for the job From offering free kittens to new subscribers to hauling hundreds of pounds of old newspapers for his school s paper drive there s nothing Henry won t try But it might just be the irrepressible Ramona Quimby who shows Mr Capper just how capable Henry is The Henry Huggins books have been beloved touchstone classics for generations They re funny and fast reads with appealing illustrations sure to be welcomed by both eager and reluctant readers [The Paper Route](#) Jacqueline Cayer Nelson McDonald,2021 THE PAPER ROUTE is a murder mystery wrapped in a family saga It moves from mid century mill town Lowell Massachusetts to Beat Generation Greenwich Village The protagonist is a paper girl who in the course of her daily delivery of the newspaper unwittingly collects information relevant to an on going murder investigation Part mystic part truant the paper girl can tell good people from bad at a glance Compelled to undo a reported injustice she seeks out and shares her insights with the childless and charmed case detective Together they solve two murders and inadvertently trigger another *The Paper Route* Lloyd Smith,1929 **Woof and the Paper Route** Danae Dobson,1991 Mark gets in trouble when the Harper twins steal the newspapers he delivers on his paper route but Woof saves the day **The Paper Route** Darren Hunter,2004-05-01 The Paper Route finds Darren Hunter the beautiful monster himself surging with angst fueled

bravado and back with a gaggle The book is a hilarious result of reflections and observations on the media and the strange citizens who read the newspaper Determined to free himself from the bonds of the corporate world and destined to work with his hands like a Middle Earth craftsman the author somehow ended up being forced to deliver a newspaper route These are the tales of his confrontations with his dreaded neighbors and meddling local police in the predawn hours The Paper Route finds the author forced to confrontation like 100 lizards on top of each other under a heat lamp at PetSmart with those he always pretended didn't exist Whenever interacting with the fine people of this great land his thoughts were always the same shoot the messenger shoot the messenger Whether it's his near death experience encounters with an alien or the formation of a radical 1980s preservation society determined to bring back Heavy Metal be prepared to be disturbed by the adventures on the paper route The targets are familiar cops liberals corporate masters kids and the politically correct But the shocking revelation revealed to the author on his paper route at the end of the book on the Rapture will torment you for years to come

The Paper Route Loraine Dupont, 2019-12-18 Have you ever had a special experience that you wanted to share with everyone The Paper Route is just that a true once in a lifetime story involving the author and her very ornery ten year old brother Written from the perspective of a seven year old little girl Loraine recounts how she helped her brother with an early morning paper route in the dark with no parents and in the heart of a big city The two of them develop confidence when they persevere in spite of real and imaginary challenges Loraine learns that her brother's aggressive self-willed traits that she had despised so often are exactly what made him a good leader She is pleasantly surprised when her ornery brother ends up being her hero It's a fun story not only for young people Those who were raised before cell phones and electronic devices are sure to enjoy the memories and humorous situations she shares People of all ages can enjoy a little moment in time as she takes you back to the way things were in 1966 Ironically this endearing light hearted story is packed with serious lessons Lessons that changed Loraine's way of thinking and taught her many concepts that help her deal with everyday life Ask yourself the following questions before reading this book Then ask yourself the same questions afterwards See if you also glean the wisdom she did Do you assume rich people are always snobs That confident people are arrogant self-serving and think themselves as superior to others Do you think rebellious people are nothing but troublemakers Have you ever noticed how bully people can be your best friend in a crisis What about parenting Will you allow your children to take the easy way out when they encounter real challenges As a parent what is your attitude regarding your kids watching a horror movie Are they really harmless What about faith If you were convinced a potentially dangerous experience would benefit your children would you trust Jesus to keep them safe What if you are a people pleaser like Loraine was Would you know when it's okay to be assertive to the point of being pushy or even aggressive Are you convinced that reading for pleasure is not a waste of time Do you read poetry If not why Do you think poetry lacks honest value There are a number of powerful concepts to learn from this story Loraine's attitudes regarding these issues are forever changed It's amazing what one can learn on a paper route
