Turkey Tails and Tales from Across the Usa Tom Doc Weddle,2013-06 This book is a collection of stories written by one of America s most traveled and experienced turkey hunters a man who has taken multiple toms from 49 states Such a feat didn t come easily so you might expect these pages to fairly drip with wise words of wisdom and sage advice on how to hunt those wily elusive birds and they do However Doc Weddle didn t write an instruction manual Instead he takes the reader on a trip down memory lane to recall exciting hunts which helped shape him into becoming the true Turkey Man that he is today Novice or veteran readers alike will undoubtedly gain valuable knowledge here but the author is first and foremost a storyteller and he has written this book simply to entertain his audience in a manner reminiscent of outdoorsmen standing around campfires and sharing the colorful details of their hunts with cohorts and companions Tom Doc Weddle is a carpenter from Bloomington Indiana Infected by the turkey hunting bug some 30 years ago he is a man completely unable to resist the siren song of the wild turkey s mesmerizing gobble and any springtime morning will likely find him in hot pursuit of his favorite gamebird Unwilling to compromise those glorious months of March April or May by doing anything besides hunting this fellow has long been one of the most die hard turkey chasers in the nation In fact he stands tall amongst his peers by accounting for not just one but two U S Slams harvesting a wild turkey in every state except Alaska Even more impressive is that Doc hunts without benefit of guides or outfitters and the vast majority of his exploits take place on public lands It won t hurt his feelings one bit if you call this guy a turkey hunting fanatic *Thanksgiving Grocery Stories* Betty Debnam,1997

Turkey Hunting Exposed Fred Dolislager,2021-09-18 These are the turkey hunting adventures and mishaps of Fred Dolislager compiled over sixteen years They are deliciously embellished nutritiously humorous and essentially unnecessary However they will bring a smile to your face Enjoy stories about turkey tornados owl orgies and black hawk helicopters Dolislager does have a real job but he only participates in that activity to support his hunting and fishing addictions which have taken him from Alaska to Argentina If you ever meet Dolislager don t tell him that his book is really a diary or you will get a lengthy description of how real men maintain a logbook and do not have diaries Dolislager s logbook compiles the harvest of 60 birds and yet isn t necessarily instructional in nature If you try you might learn something but it s probably what not to do It s the adventure along the way that creates the vivid memories and the joy to which all outdoorsmen can relate *True Stories of the Great War* ,1918 **Turkey Hunting Tomfoolery** Fred Dolislager,2023 16 years of humorous misadventures in pursuit of turkeys Overflowing with side splitting quirky tales this outdoor humor book promises to tickle readers funny bones amazon com **The Bauble** ,1895
