

A sunset over a rocky beach. The sky is a gradient of orange and yellow, transitioning into a darker blue at the top. The ocean is on the left, with white foam from waves crashing against a dark, rocky shore. The foreground is filled with dark, jagged rocks. The text is overlaid on a dark, semi-transparent rectangular background in the center of the image.

If you are a Christian, it means turning away from sin and turning to Christ. If you are a Jew, it means turning and facing the God of Abraham, Isaac, and Jacob. Whatever your faith, religion, or spiritual ambition, it means turning from evil and pursuing good.

Turning To Christ:

Turning to God David F. Wells, 2012-04-12 Does a person have to convert to be a Christian Or can one merely follow Jesus by studying Scripture Does the Bible ever say that conversion is necessary Or is it a development of the church Turning to God explores these fundamental questions about regeneration and conversion distinguishing Christianity from every other faith as one in which conversion is unique supernatural and necessary for salvation In it you will find a clear thoughtful balanced discussion of the Christian conversion experience including its history controversy and scriptural basis Anyone who has marveled at the mystery of how and why we turn to God along with those skeptical of religious conversion will find themselves challenged and encouraged by this thorough treatment of one of the fundamentals of the Christian faith **The Three Conversions of the Christian Life** Kevin E. Martin, Robert Michael Lewis, 2021-12-02 Christianity is a religion of conversion but what is conversion This book explores the fullness of the Christian life and the threefold turnings that it demands of Jesus followers Starting with St Paul while looking in detail at his Damascus Road experience and examining the remarkable lives of exemplary Christians the authors unfold dynamics of conversion and call all followers to grow deeper in their discipleship **Turning to Christ** Thomas Fennell, 2014-07-29 In Turning to Christ Thomas Fennell references the key Bible verses and teachings of the New Testament that will help the believer and the unbeliever turn his or her life to Christ This book shows that the Son of God is the true path to forgiveness and happiness in life Also included are the author's contemplations on the majesty of God's creation and the fulfillment of the Bible's promises of the world to come *Turning Point* Ed Gungor, 1991-04 *Pilgrim - Turning to Christ* Stephen Cottrell, Steven Croft, Paula Gooder, Robert Atwell, Sharon Ely Pearson, 2016-03-10 Pilgrim is a teaching and discipleship resource that helps inquirers and new Christians explore what it means to travel through life with Christ A Christian course for the twenty first century Pilgrim offers an approach of participation not persuasion Following the practice of the ancient disciplines of biblical reflection and prayer with quotes from the Christian tradition throughout the ages Pilgrim assumes little or no knowledge of the Christian faith Individuals or small groups on the journey of discipleship in the Episcopal tradition can use Pilgrim at any point There are many different aspects to helping people learn about the Christian faith We have taken as our starting point Jesus summary of the commandments We are called to offer our lives to God through loving God with all our mind soul strength and heart and to love our neighbor as ourselves Learning about Christian faith and growing in Christian faith is about more than what we believe It's also about the ways in which we pray and develop our relationship with God about the way we live our lives and about living in God's vision for the Church and for the world Course 1 Turning to Christ What do Christians believe This is the question explored as the questions that are asked at Holy Baptism are discussed We begin by looking at who Jesus was why did people want to spend time with him so long ago and why do we promise to turn to Christ and follow him today This is followed by learning what Christians believe about God Jesus Christ as the Son of God the Holy Spirit and the Baptismal

Ehrensperger,1904 Includes music **The Coming of God** Jürgen Moltmann,Margaret Kohl,2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God *The Congregationalist and Advance* ,1918

Bonhoeffer and the Responsibility for a Coming Generation Robert Vosloo,Teddy Sakupapa,Karola Radler,Ashwin Thyssen,2024-07-25 This volume draws together a selection of high quality presentations at the 13th International Bonhoeffer Congress held in January 2020 in Stellenbosch South Africa The theme of the conference was How a coming generation is to go on living Bonhoeffer and the response to our present crisis and hope The selected essays engage thoroughly and creatively with this concern to take responsibility not only for our own personal and communal life in all of its complexity and richness but also for the ethos and society that future generations will inherit from us The pertinence of Bonhoeffer s question is addressed in these contributions anew as we experience threats on a global level to socio political economic and inter religious stability and solidarity Attention is also given to some important challenges experienced in the so called global South and the reality of climate change and ecological devastation implies that the question of how future generations are going to go on living is linked to the fact that we live on a planet that is in jeopardy Also included as an appendix is the powerful sermon preached by the South African Anglican archbishop of Cape Town Thabo Makgoba at the opening worship service of the congress Michigan Christian Advocate ,1923 *The Christian System* Alexander Campbell,1901 Herald and Presbyter ,1899 **Christian Patience, the Strength & Discipline of the Soul** William Bernard Ullathorne,1886
