## **Urs Fischer:**

**Urs Fischer** Urs Fischer, 2012 New York based artist Urs Fischer born 1973 in Zurich has devised a surreal universe in which dust bunnies are magnified into landscapes and a lump of clay squeezed in the artist's fist becomes a towering monolith In this catalogue for Fischer's solo exhibition at The Brant Foundation Art Study Center in Greenwich Connecticut a cast aluminum grave pierces the ceiling and the exhibition space becomes an excavation site A gallery wallpapered with trompe l'oeil reproductions of collector Peter Brant's living room features artworks from his extensive private collection Wax likenesses of Brant have been set alight and slowly melt away dissolving into puddles With these audacious formal investigations of scale and material Fischer has produced an off kilter installation that disconcerts and entrances *Urs Fischer*

*Urs Fischer* Urs Fischer, 2017 Phantom Paintings gathers several series of paintings on aluminum panel produced over the last three years by the Swiss artist Urs Fischer born 1973 From far away many of these paintings appear to be large scale gestural abstractions but on closer inspection the viewer detects total flatness the abstract paint marks were actually photographed and silkscreened on top of images of personal spaces creating an image of abstraction rather than the abstraction itself This process allows a largeness of motion and an immediacy as two representational systems clash In other works the abstractions obstruct images taken from vintage Hollywood publicity headshots as well as close up photographs of the artist's own face Finally bold paintings on cutout aluminum panels push the limits of line color and shape transforming facial features into intersecting organic shapes that slide and mutate in a new form of landscape painting **Urs Fischer**

**Sculptures 2013-2018** Urs Fischer, 2019-05-21 Featuring over 100 works and documentation of forty exhibitions and installations both public and private New York based artist Urs Fischer born 1973 presents six years of work in this substantial volume Arranged chronologically this book allows the reader to follow Fischer's developments in form and his frequent adventure into whimsy The artist's instinct for design is evident not only in his individual works but also in his clarity of vision for a space beautifully illustrated in this volume Sculpture inherently has physical presence and Fischer utilizes this to manipulate the viewer's perception of reality Encountering the immense and the minuscule the ever changing and the static a viewer must reconcile with his or her own presence in time With this volume the reader is invited to experience significant ephemeral collaborative and interactive works in context in over 400 pages plus gatefold inserts

**Urs Fischer** Urs Fischer, Massimiliano Gioni, 2009 This catalogue is the culmination of four years of work and takes over all three gallery floors of the New Museum New York **Urs Fischer: Beds and Problem Paintings**, 2012-09-25 Urs Fischer's work explores the genres of classical art history still lifes portraits nudes landscapes and interiors at the intersection with everyday life in cast sculptures and assemblages paintings digital montages spatial installations mutating or kinetic objects and texts This volume includes fifty five color illustrations from Urs Fischer's Beds and Problem Paintings show that was exhibited at Gagosian Gallery in Los Angeles from February 23 April 7 2012 This was the artist's first major

solo exhibition with the gallery Beds and Problem Paintings was designed by the artist and the images within the book include installation photos from the exhibition as well as photographs taken by the artist *Urs Fischer: Yes* Urs Fischer, 2015 Bound in a t e b che format as a reversible book with two front covers Urs Fischer YES documents two iterations of Urs Fischer s ongoing collaborative project of the same name in which individuals from all walks of life worked together to populate two very different landscapes with a profusion of sculptures Filling the warehouse like space of the Geffen Contemporary at MOCA in Los Angeles and the sun washed terrain surrounding the DESTE Foundation project space in a former slaughterhouse on the Greek island of Hydra collaborators joined Fischer in making figures and animals out of unfired clay which were left to disintegrate over time Publisher s description *Urs Fischer* Jessica Morgan, 2013 Swiss artist Urs Fischer is best known for his dramatic transfiguration of the exhibition space as well as for his unexpected transformations of quotidian objects Offering grand gestures with a pop attitude the artist works in a variety of media which is grounded in sculpture despite the artist s training as a photographer to explore the intersection between art and everyday life Part of the new 2000 Words series conceived and commissioned by Massimiliano Gioni and published by the Deste Foundation this colorful monograph with an essay by Jessica Morgan presents the wide array of Urs Fischer s work in the Dakis Joannou Collection **Urs Fischer** Urs Fischer, 2013 **Urs Fischer: Julian** Urs Fischer, 2016-08-23 Constructed almost entirely of paraffin wax Julian is one of Swiss artist Urs Fischer s most ambitious wax candle sculptures to date This large format artist s book is composed entirely of photographs documenting Fischer s 2015 show in Amagansett New York where the life size sculpture made to resemble fellow artist Julian Schnabel was exhibited and then set alight **Urs Fischer** , Urs Fischer: Paintings Priya Bhatnagar, Abby Haywood, Angela Kunicky, Jaime Gecker, Annie Roft, Natalie Skinner, 2019-08-20 Featuring over 100 works and documentation of 40 exhibitions and installations both public and private New York based artist Fischer presents six years of work in this substantial volume that includes gatefold inserts Urs Fischer Urs Fischer, 2006 Edited by Urs Fischer Text by Rein Wolfs Urs Fischer, Untitled (Lamp) , 2011 **Urs Fischer** , 2012 **Urs Fischer, Untitled (Lamp/Bear)** Urs Fischer, Christie, Manson & Woods International Inc, 2011 **Urs Fischer** , 2005 **The Urs Fischer Purple Book** , 2022 *Kir Royal* Urs Fischer, Mirjam Varadinis, Jörg Heiser, Bruce Hainley, Kunsthau Zürich, 2004 The heterogeneous punk spirit of Urs Fischer is in full threat in this catalogue from his recent retrospective exhibition including many new works at Kunsthau Zrich All materials were considered fair game and Fischer took every possible liberty in the museum space He cut huge walk through holes in the gallery walls and leaned the removed pieces on their edges in the rooms He made burning wax sculptures put obstacles on the ground and hung a DANGER sign above it all As curator Mirjam Varadinis says the familiarity of everyday motifs is undermined in a process of metamorphosis that renders the work uncanny and even threatening Of course a dose of humor drawing upon the grotesque informs the work as well You can try to name influences inspirations and related artists Thek Nauman Barney Fischli Weiss

but Fischer is sui generis

Urs Fischer Urs Fischer, 2012
