William Wallace:

William Wallace Chris Brown,2005 This title is a scholarly biography of William Wallace published to coincide with the 700th anniversary of the execution of Wallace in August 2005

William Wallace: The Man and the Myth Dr Chris Brown,2014-05-05 William Wallace of Elderslie younger son of a country knight came to fame through his active opposition to the aggressive imperialism of England s King Edward I From political and social obscurity he seized control of the reins of government and became the first leader of his people in a war of liberation against a far larger and richer enemy England that would last for more than sixty years With little or no experience in the business of government or of war William Wallace was able to achieve command but proved unable to retain it in the face of battlefield defeat In this updated edition of his groundbreaking work Chris Brown cuts through the myths still perpetuated today to produce a biography driven by contemporary medieval records rather than Victorian legends and present an accurate portrait of the life and career of Scotland s greatest hero

William Wallace Graeme Morton,2014-10-08 A deconstruction of the national biography and mythology of William Wallace Freed from the historian s bedrock of empiricism by a lack of corroborative sources the biography of this short lived late medieval patriot has long been incorporated into the ideology of nationalism

Life of Sir William Wallace Hutchinson,1867

William Wallace Alexander Falconer Murison,2003-01-01 The assassination of Scotland s King Alexander III in 1286 foreshadowed troubles with the English When Edward I of England failed in his attempt to place his niece upon the Scottish throne a gap appeared in the royal succession giving the Scots an opportunity to place one of their own at the head of government The leader of the movement was William Wallace c 1270 1305 a fateful figure in the history of Scotland This brief study recounts Wallace s legendary life from his years as a youth and young man spearheading guerrilla warfare against the English to his designation as Guardian of Scotland and his ultimate betrayal and execution A vivid record of a leader with a powerful hold on the imagination of his people this important book will be welcomed by students of history and admirers of the Scottish patriot

Documents Illustrative of Sir William Wallace Joseph Stevenson,1841

William Wallace James Alexander Mackay,2005 This biography is of a man who rose to become Guardian of Scotland William Wallace a superb general and tactical genius led a small country to triumph gloriously larger better armed and better trained English forces

William Wallace and All That Allan Burnett,2011-08-01 The wild grisly story of the knight who led the battle for independence in medieval Scotland told in lively illustrated prose for young readers William Wallace and All That is a real life adventure packed with historical facts about Scotland s legendary hero the subject of epic poems and the classic movie Braveheart Join Sir William Wallace on his fearsome quest to free the Scots from villainous King Edward and his evil empire Growl with anger as you find out what nasty things Edward s vile henchmen did to Wallace s girlfriend and best pal Get splattered with blood and gore as Wallace makes haggis of his enemies Gasp with terror as you learn about the giant hedgehogs that helped Wallace win battles Groan with agony as you feel what it s like to be

hanged drawn and quartered Discover how Wallace s grisly death made his legend grow Bursting with brilliant illustrations this book will have you shouting Freedom after every page **The life and acts of ... sir William Wallace [tr. from the Lat. of J. Blair by Henry the Minstrel].** John Blair,1680 **William Wallace** James Alexander Mackay,1996 Sir William Wallace of Ellerslie is one of history s greatest heroes but also one of its greatest enigmas a shadowy figure whose edges have been blurred by myth and legend Even the date and place of his birth have been mis stated until now James Mackay uses all his skills as a historical detective to produce this definitive biography telling the incredible story of a man who without wealth or noble birth rose to become Guardian of Scotland William Wallace with superb generalship and tactical genius led a country with no previous warlike tradition to triumph gloriously over the much larger better armed and better trained English forces Seven hundred years later the heroism and betrayal the valiant deeds and the dark atrocities and the struggle of a small nation against a brutal and powerful empire still create a compelling tale *William Wallace* Hourly History,2019-08-26 William WallaceWilliam Wallace if ever there was a champion in the annals of Scottish history he was it Known as a proud Scot who rose through the ranks to challenge the English king Wallace was a mere man who became larger than life large enough even for the likes of Mel Gibson to play him in Braveheart for movie going audiences on the silver screen But who was William Wallace What separates the real man from the myth Inside you will read about A Country in Need of a Hero Early Life and Legend The Battle of Stirling Bridge Wallace s Invasion of England Defeat at Falkirk Capture and Execution And much more In this book we will take a look at the life and the legend of Sir William Wallace in its entirety *William Wallace* Charles River Charles River Editors,2017-01-11 Includes pictures Includes excerpts from Blind Harry s epic poem about the life of William Wallace Includes footnotes and a bibliography for further reading A false usurper sinks in every foeAnd liberty returns with every blow Blind Harry William Wallace is one of the most famous freedom fighters in history and over 700 years after his death he is still remembered as Scotland s beloved hero But while the movie Braveheart helped make him a household name and he is commemorated across Scotland as a natural leader and a loyal son of his homeland he is also the most mysterious of the leaders of the Scottish resistance to Edward I This is because paradoxically the very famous soldier is also one of the least well known In fact the mystery surrounding Wallace is figuring out precisely or even vaguely who he was Where did this champion of Scottish independence come from Who was his family What did he do before emerging from obscurity with the brutal murder of William Heselrig the English sheriff of Lanark in May 1297 So little evidence on Wallace s life exists that answering even the most basic questions about him can be a challenge That said as one scholar perceptively notes the facts are not the reason why he is remembered as a meaningful historical actor For the admirers Wallace has accumulated over the centuries the idealized version of what he stood for weak over strong justice over injustice the will of the people over the might of the powerful is infinitely more important than the historical man himself Similarly his English detractors have also focused on image over substance through the years

depicting Wallace as a heartless brute a cruel traitor and a blood hungry outlaw Whether he s depicted as an icon of Scottish resistance or a symbol of disloyalty and treachery William Wallace is as much an idea as he was an actual figure of the Scottish Wars of Independence How does one study someone about whom so little is actually known and whose idealized or vilified image has overshadowed his actions Piecing together the story of William Wallace s life is an exercise in asking more questions than can be answered and often in looking at just as much conjecture as proof While acknowledging that many aspects of his life will remain obscure William Wallace The Life and Legacy of the Scottish Freedom Fighter attempts to separate fact from fiction while looking at the life and fighting of the man who inspired Braveheart Along with pictures and a bibliography you will learn about William Wallace like you never have before in no time at all

The Life of Sir William Wallace, the Governor General of Scotland and Hero of the Scottish Chiefs, Etc Peter Donaldson (Medical Historian.),1825 **Documents illustrative of sir William Wallace, his life and times [ed. by J. Stevenson].** sir William Wallace,1841 **The Myth of William Wallace** Susan Wallner,2003-06-09 This book examines literary examples concerning William Wallace against the background of various historical sources and evaluates the construction the changes and the relevance of this Scottish national myth For over 700 years William Wallace has been fascinating people What he achieved for his country is almost unbelievable Already during his lifetime Wallace s reputation must have been legendary Over the centuries a powerful myth has been created around his person which was fostered by diverse writers and even by Hollywood There have been several periods throughout Scottish history when the interest in William Wallace intensified enormously resulting in an increase of literary publications on the freedom fighter These climaxes appeared whenever the Scots were dissatisfied with the English rule and brought the old animosity between England and Scotland to new life These tensions caused many writers to revive memories of Wallace and his ideals by projecting the medieval story into their own time Thus more and more bits and pieces were added to the myth whose message seems to have had tremendous effects on the Scots Wallace s unfulfilled quest of freeing Scotland even became an issue in several programs of political parties With the release of the film Braveheart in the mid 1990s the Wallace cult was reborn once more Was it the prevailing political situation that stimulated such an overwhelming enthusiasm for William Wallace again Did the Wallace myth influence the Devolution Movement Is Wallace s spirit still alive today Do the Scots still cherish what he fought for and will they finally achieve his goal of a fully independent Scottish Nation With regard to the current political situation the author finds interesting answers to these questions and discusses the chances for a possible Scottish independence **William Wallace, Freedom Fighter** George Forbes,1996 [Life of Sir William Wallace, of Elderslie](#) John Donaldson Carrick,1830

William Wallace Andrew Fisher,1986 Providing a factual biography of the Scottish hero William Wallace this book contains a strong narrative and discusses the motives of the legendary character in a manner which uncovers many previously hidden points *Documents Illustrative of Sir William Wallace, His Life and Times* Joseph Stevenson,2025-07-27
