William Woods Diary:

William Wood's Diary Peter Pennington, 2002 *The Diary and Letter Book of the Rev. Thomas Brockbank, 1671-1709* Thomas Brockbank, 1930 **The Union Cavalry Comes of Age: Hartwood Church to Brandy Station, 1863** Eric J. Wittenberg, 2017-01-09 The Army of the Potomac's mounted units suffered early in the Civil War at the hands of the horsemen of the South However by 1863 the Federal cavalry had evolved into a fighting machine Despite the numerous challenges occupying officers and politicians as well as the harrowing existence of troopers in the field the Northern cavalry helped turn the tide of war much earlier than is generally acknowledged It became the largest best mounted and best equipped force of horse soldiers the world had ever seen Further the 1863 consolidation of numerous scattered Federal units created a force to be reckoned with a single corps ten thousand strong Award winning cavalry historian Eric J Wittenberg chronicles this story debunking persistent myths that have elevated the Confederate cavaliers over their Union counterparts

Victorian Christianity and Emigrant Voyages to British Colonies c.1840 - c.1914 Rowan Strong, 2017-10-20 Victorian Christianity and Emigrant Voyages to British Colonies c 1840 c 1914 considers the religious component of the nineteenth century British and Irish emigration experience It examines the varieties of Christianity adhered to by most British and Irish emigrants in the nineteenth century and consequently taken to their new homes in British settler colonies Rowan Strong explores a dimension of this emigration history that has been overlooked by scholars the development of an international emigrants chaplaincy by the Church of England that ministered to Anglicans Nonconformists as well as others including Scandinavians Germans Jews and freethinkers Using the sources of this emigrants chaplaincy Strong also makes extensive use of the shipboard diaries kept by emigrants themselves to give them a voice in this history Using these sources to look at the British and Irish emigrant voyages to new homes this study provides an analysis of the Christianity of these emigrants as they travelled by ship to British colonies Their ships were floating villages that necessitated and facilitated religious encounters across denominational and even religious boundaries It argues that the Church of England provided an emigrants ministry that had the greatest longevity breadth and international structure of any Church in the nineteenth century The book also examines the principal varieties of Christianity espoused by most British emigrants and argues this religion was more central to their identity and consequently more significant in settler colonies than many historians have often hitherto accepted In this way the Church of England's emigrant chaplaincy made a major contribution to the development of a British world in settler colonies of the empire Diary George Templeton Strong, 1952 Diary of Thomas Robbins, D.
