Working On God:

Working on God Winifred Gallagher,2000-04-18 Millions of Americans are finding it more and more difficult to apply the traditional demands of organized religion to their lives and yet a complete absence of spirituality leaves them uneasy Working on God is a book for and about such intelligent independent people who are seeking to reconcile their spiritual yearnings with their skeptical intellects Winifred Gallagher a behavioral science reporter began her investigation of religion in our postmodern age with research and interviews and soon discovered a vast quiet revolution under way among ordinary men and women grappling with the sacred Both Gallagher s brilliant journalistic inquiry and her very personal journey unfold over time spent in a Zen monastery and a cloistered convent in small group discussions and healing rituals in a Conservative synagogue that shares spaces with a Christian church and in the birthplace of the New Age Written with humor empathy and a rigorous curiosity Working on God breaks new ground in depicting the broad based spiritual movement that is transforming many lives

God Loves Your Work Larry Peabody,2022-03-03 If you know God loves your work you can as Paul put it work at it with all your heart But too often even Christians find it hard to engage fully with what occupies them for hours every day This book will help you relate your work to God s eternal kingdom purposes Here you will find not just one or two but several biblical reasons for getting up and going to work During your lifetime you will spend perhaps 100 000 hours working in paid or unpaid work Will you see spiritual significance in those hours In the end will they really matter These easy to read chapters will help you view your daily work within a new and much larger perspective For example what if you were to begin seeing your work as a worship offering that God gladly receives Or what if you were to discover how he intends to use your work to further your own spiritual growth Get set to move from Thank God it s Friday to Wonderful it s Monday again

Practical Steps to Set God'S Grace at Work in Your Life Gbenga Oduniyi,2014-05-12 Jesus Christ came into this world to bring Gods influence into mans situations and circumstances so that man may regain his God given ability dominion which was once lost in the Garden of Eden I believe the letter g in the word grace stands for God When you remove that letter g then what you will have is race Running the race of life without God can be frustrating it is a life of hardship Jesus therefore came to pave way for man to combine divinity with humanity in order to conquer satan and the world system We live under grace dispensation but not all Christians enjoy the grace of God This book therefore teaches us the basic steps attitudes characters and decisions we must take in order to bring to manifestation the grace of God that is already placed upon our lives through redemption The word of God says Arise shine for thy light is come Isaiah 60 1 The light is there but it will not shine without an input from you if the light must shine then you must arise In the same vein grace to become all that God programmed you to become in life is upon your life but there are some practical steps you will need to take that will automatically set grace at work in your life

Working for God Andrew Murray,2018-09-01 Go ye also into the vineyard and whatever is right I will give you And they went Matthew 20 4 The first objective of this book is to remind all Christian

workers of the greatness and the glory of the work in which God gives a share As we see that it is God s own work that we have to work out and that in our working His glory rests on us and we glorify Him then we shall count it our joy to live only and wholly for His work The purpose of this book at the same time is to help those who complain or perhaps do not even know enough to complain that they are apparently laboring in vain by helping them discover what may be the cause of so much failure God s work must be done in God s way and in God s power It is spiritual work to be done by spiritual men in the power of the Spirit The clearer our submission to God s laws of work the surer and richer our joy and reward in it will be Follows Waiting on God also by Andrew Murray

Commentary on the Gospel of John: Bible Study Notes and Comments David Pratte,2018-12-25 Bible study notes and commentary on the New Testament Gospel of John Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Comments include discussion of these topics Evidence for faith in the Deity of Jesus Testimony of miracles and fulfilled prophecy Jesus public ministry and teaching Work of John the Baptist and of Jesus apostles Jesus death burial and resurrection *The Bible for Home and School* ,1910 **God's answers, a record of A. Macpherson's work at the Home of industry, Spitalfields, and in Canada** Clara Maria S. Lowe,1882 **Genesis, Science, and the Beginning** Benjamin D. Smith,2018-08-29 Christian apologist Ben Smith believes that the creation account in Genesis 1 can be read literally and historically as a real week of seven normal days without contradicting modern astronomy and geology regarding the age of the universe and Earth Many Christians are divided over how to reconcile Genesis with modern science and this book evaluates all of the major options ultimately concluding that the Bible allows for an old universe and Earth in a way that is also scientifically accurate A former Young Earth creationist Smith now believes that the age of creation is not specified in the Bible and therefore scientists are free to answer the question He believes that Christians should not hide from the controversy over the age of the Earth but should take a fresh look at the text and be impressed with its accuracy *The Works of John Knox* John Knox,1895 **Colossians** David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and

Working for God! Andrew Murray,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1901 edition Excerpt INTRODUCTION nnHE object of this little book is first of all to remind all Christian workers of the greatness and the glory of the work in which God gives a share It is nothing less than that work of bringing men back to their God at which God finds His highest glory and blessedness As we see that it is God s own work we have to work out that He works it through us that in our doing it His glory rests on us and we glorify Him we shall count it our joy to give ourselves to live only and wholly for it The aim of the book at the same time is to help those who complain and perhaps do not even know to complain that they are apparently labouring in vain to find out what may be the cause of so much failure God s work must be done in God s way and in God s power It is b spiritual work to be done by spiritual men in the power of the Spirit The clearer our insight into and the more complete our submission to God s laws of work the surer and the richer will be our joy and our reward in it Along with this I have had in view the great number of Christians who practically take no real part in the service of their Lord They have never understood that as the chief characteristic of the Divine life in God and Christ is love and its work of blessing men the Divine life in us can show itself in no other way I have tried to show that it is God s will that every believer without exception whatever be his position in life gives himself wholly to live and work for God I have also written in the hope that some who have the training of others in Christian life and work may find thoughts that will be of use to them in teaching the imperative duty the urgent need the Divine blessedness of a life given to God s service and to waken
