fireworks and a splendid barge for the President which last will cost 200 or 300 1 1 Mr Minot and Mr Ames were fellow students and intimate friends They were admitted to the bar together in Boston in November 1781 Sir Minot soon became eminent in his profession and received many tokens of the public confidence Their written correspondence appears to have ceased at the termination of Mr Ames s service in Congress probably because they had frequent and more direct personal intercourse Their friendship continued uninterrupted until Mr Minot s death which took place in 1802 This State is snarling about elections But Massachusetts distances all the world How will it be decided there Write me How can you preserve such an obstinate silence If you knew
