

Most of the people on the Earth were being badly behaved so God decided to send a Flood that would wipe out evil.

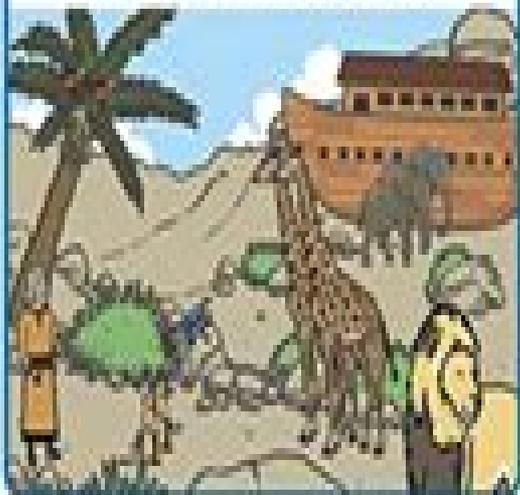

However, there was one good man on Earth. His name was Noah, and God trusted him.

God decided that He would save Noah by telling him that the Flood was coming. He asked Noah to build a really big boat called an ark.

When Noah had built the ark, God told him to put two of every animal on the Earth in it, both male and female.

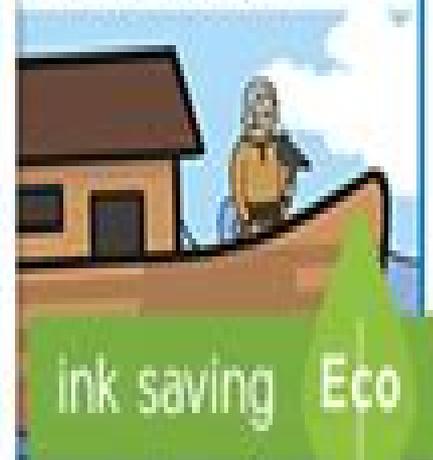

His family, and the animals were all safely on the ark, when it rained for forty days and nights.

It flooded the Earth. Every living thing on the Face of the Earth got wet except for Noah, his family, and the animals who were safe in the ark.

The sun came out, the waters started to dry up, and it was time to start on a journey. Noah sent out a dove to find dry land, but it came straight back.
