King Lear William Shakespeare,2023-05-23 King Lear is a play for our times The central characters experience intense suffering in a hostile and unpredictable world They face domestic cruelty political defeat and a stormy external environment that invades them to the skin They constantly question the meaning of their experiences as we watch their emotions range from despair to rage to unexpected tenderness and desperate hope as they are rejected even tortured Lear s daughters as in a fairy tale are three strong women The eldest two vie for sexual and political power while

the youngest Cordelia is initially banished because of her plain speaking but then returns in a doomed attempt to restore her father to his throne King Lear has an unusual performance history It was significantly revised by Shakespeare or others between its first two publications and was then succeeded by an adaptation that softened the ending so that Lear and Cordelia survived In our own times King Lear is performed around the world in productions that explore its relevance to contemporary political and environmental challenges This edition offers a distinctive extended text taking the later Folio as a starting point and adding the lines that appear only in the Quarto distinguished by a light gray background Variations in individual words that are of critical interest are recorded in the margin

Captain Gardiner of the International Police Robert Allen,1916 A novel of the immediate future with a highly complex western world given over to industry and peace and all ordered and protected by an international police force But trouble looms large on the eastern horizon China and India are awakening and Japan is furnishing the brains and stimulus Plot and intrigue in the tricky Orient develop and at last the catastrophe breaks and the little International Police Force is nearly wiped out Adventures in the mysterious Eastern cities and courts in the Chinese temples and lastly scenes in the great battles in which the Oriental is stemmed in the trenches and in the air form a most vivid and dramatic picture and at the same time a forceful lesson in the matter of preparedness Captain Gardiner the hero and the sturdy secret service agent who gives up his life for his duty show that after all western morality is dominant and personal honor supreme in the world And after the warfare come the quiet love scenes and the straightening out of the tangled love threads that give charm and contentment to this very dramatic and readable tale Dust jacket flap
