

WRIT OF EXECUTION TO THE UNITED STATES MARSHAL

Applicable Law and Rules

1. Fed. R. Civ. P. 69, made applicable by Fed. R. Bankr. P. 7069 and 9014, provides that "A money judgment is enforced by a writ of execution, unless the court directs otherwise."
2. 28 U.S.C. § 566(c) provides in part, that "the United States Marshal Service shall execute all lawful writs, process, and orders issued under authority of the United States, and shall command all necessary assistance to execute its duties."

Instructions

1. To obtain a writ of execution from the Bankruptcy Court, a party must first obtain a certified copy of the judgment from the clerk of the court. This copy must be attached to Director's Form 2640 and submitted to the clerk. The clerk will issue the writ and give the original of the writ, with the certified copy of the judgment, to the party requesting the writ.
2. The clerk will keep one copy of the writ and judgment for the court files. The original writ and the certified copy of the judgment must be submitted to the United States Marshal, together with one copy of each document. A fourth copy should be kept for the judgment creditor's files.
3. The papers submitted to the Marshal must be accompanied by a completed Form USM-285. This form should be obtained directly from the Marshal's office.
4. Generally, the writ of execution must be issued by a court in the district in which the judgment debtor resides or in which the property to be levied upon is located. Before the court can issue a writ on a judgment entered by another court, the "foreign" judgment must be registered in the court. The judgment can be registered pursuant to 28 U.S.C. § 1963 by using Director's Form 2650, Certification of Judgment for Registration in Another District, and payment of the fees prescribed by the Judicial Conference pursuant to 28 U.S.C. § 1930.
5. Usually, the judgment may be registered either in the district court in the other district, in the bankruptcy court there pursuant to the order of reference for bankruptcy cases and matters, or in both courts. In the states which require that judgments be registered in a "court of general jurisdiction" or with the "clerk of the United States District Court," the judgment should be registered in the district court.
6. Once the judgment has been registered in the other district, the writ of execution can be issued by the court in which it has been registered.
