*The Power of Purpose* Michael Catt,2017-10-01 Why am I here Why is the church here Do we still have a place in the world What is our purpose In an age when formerly great churches struggle to survive baptismal pools are dry and altars empty and the church is aging seemingly indifferent to the next generation we are tempted to believe we have no purpose We are tempted to give up on living the meaningful countercultural lives to which Christ has called us and to give in to a world that encourages us to go with the flow How will we respond In his letter to the Philippians Paul gives advice that is invaluable to the twenty first century church The Philippians were assembled in the middle of a corrupt sensual society fighting against the norms of the world around them They were God s representatives in a secular society and they

maintained a singular focus vision and purpose In *The Power of Purpose* Pastor Michael Catt walks us through this letter to the Philippians exploring how God is still calling His church even in the rapidly changing world of the 21 st century to be his representatives He is calling us to maintain a singular focus and vision He is calling us to the power of purpose *Life Changing Thoughts* Gary W.
