In Those Days Myra Jo Golden,2012-10-31 In *Those Days* is a novel of history prophecy and romance The Bible says But as the days of Noah were so also will the coming of the Son of Man be Matthew 24 37 In other words the last days will be like the days of Noah If you take that literally then they were a society like us an advanced society Is it possible they were smarter than us and perhaps more advanced Did they try to improve us and are some of the genetic problems we see today because of that improvement This is a love story from those days Sharon met Shamie when she was still a young girl She liked him immediately and he liked her Years later when he asked her to come to the project and marry him she was torn She had planned all her life to become a reporter like her parents and she just wasn't ready to give that up

Spirit Dive Michael H. Cottman,1999 When prize winning journalist and avid scuba diver Michael Cottman participated in an underwater expedition to survey the sunken wreck of a slave ship off the coast of Florida he was overwhelmed by powerful feelings of kinship and oneness with his African ancestors As he held in his hands the very shackles that had bound hundreds of men women and children in their tortured passage from their African homeland to America Michael Cottman became determined to tell their stories and the story behind the ship that had carried them away from all they knew and loved *Spirit Dive* takes readers back three centuries and to three continents in order to trace the complex and moving story of the slaves and the slavers We travel to England on the trail of the shipbuilders and the captain and his crew to Goree Island located off the westernmost extension of the African continent near Dakar where the ship almost certainly docked and from which its enslaved passengers would have gotten their last view of their homeland and to the Caribbean where the *Henrietta Marie* sank without a trace until its recent rediscovery gave us a tangible key to one of history's most terrible episodes *Spirit Dive* is a powerful and compelling testament of one man's attempt to make sense of the history of his ancestors chronicling his journey while confronting questions with no answers and striving for reconciliation with his homeland's past and his own country's future
