Nolo's Essential Guide to Child Custody and Support Emily Doskow, 2020-11-24 When you're getting divorced, you can make a tough time easier for your children and yourself if you work with the other parent to draw up a custody plan and agree on child support. Doskow shows you how negotiation and mediation can keep costs down, where to find your state's child support guidelines, how to enforce and change custody and support orders, what military families need to know, and much more.

How to Behave So Your Children Will, Too! Sal Severe, 2003-07-29 In this eye-opening resource, Dr. Sal Severe taps his twenty-five years of experience as a school psychologist and parenting workshop leader to show that a child's behavior is often a reflection of the parent's behavior, and by making changes themselves, parents can achieve dramatic results in their children. Instead of focusing on what children do wrong, Dr. Severe teaches parents to emphasize the positive, to be consistent, and to be more patient. He shows parents how to teach their children to behave, listen, and be more cooperative, and how moms and dads can manage their own anger and prevent arguments and power struggles. Packed with concrete strategies for dealing with homework hassles, ending tantrums, and other common problems, Dr. Severe's empathetic, common-sense book will be welcome everywhere.
