EBOOK: Talk for Writing in the Early Years: How to

teach story and rhyme, involving families 2-5 years Pie Corbett, Julia Strong, 2016-01-16 Pie Corbett's ground breaking Talk for Writing approach has been successfully used by thousands of schools to teach writing creatively in an engaging way that motivates children. Now Pie and Julia take this multi sensory approach to Early Years settings introducing a simple way to inspire young children's language development through storytelling. Children learn language through memorable meaningful repetition. The Talk for Writing approach enables children to internalise the language of story so that they can imitate it, innovate on it and create their own effective stories independently. Talk for Writing in the Early Years will show you how to put rhyme and story at the heart of your work with children and parents so that young learners language development and creativity flourishes. This multimedia resource shows you how to: Select a story or rhyme the children will enjoy and tell it engagingly encouraging the children to join in. Use a story map so they can picture what happens. Use actions to reinforce meaning and emphasise key language patterns. Help children build a bank of tales developing their linguistic repertoire. The 2 DVDs contain Footage of Pie Corbett conferences with EY teachers showing Talk for Writing in action. Clips of nursery children engaged in the Talk for Writing approach. Advice on how to use the DVD and handouts to train all staff in the approach. Interviews with parents and nursery school teachers on the impact of Talk for Writing. 21 stories with story maps.

Guide to Writing for Children Jane Yolen, 1989 *Any Child Can Write* Harvey S. Wiener, 2002-10-10 Harvey S Wiener shows how parents can encourage their children to write with a home program that can be used from preschool through high school. Beginning with the building of attitudes Wiener moves through simple varied and practical experience with the written word. By setting up an atmosphere in the home that encourages creative written expression coupled with a parent's guidance in writing children gain an outlook on writing that builds confidence in their abilities to use language. This new edition addresses many heated issues about children's education and touches on today's critical debates: parents roles in school preparations, the increased stress on writing assessment and performance measures throughout a child's education and across school sectors and the debate over phonics. A revised and expanded section called *Key Books for Young Writers and Their Parents* will help any family stock its shelves with useful books for a home writing program. A new chapter discusses the ubiquity of home computers and word processing programs and assesses their positive and negative influences on children's home learning experiences. In addition Wiener describes how to find the best educational online resources and how to supervise a child's work on the Internet. Furthermore he emphasizes the importance of collaboration: child and parent, child and sibling to help avoid computer abuse and establish good computer practices. Finally he integrates discussion on computers through the text and also offers writing exercises and samples for children to obtain from Oxford's website.
