Thanking GOD with an Attitude of Gratitude GERARD ASSEY, 2021-03-18 COVID 19 was perhaps for many the biggest life changing event that was faced Several precious lives were lost families separated for months jobs lost no income absolutely for many businesses shut and economies in shatters the list could go on And the world is still trying to recover from all of this And yet when we as children of God look back at this year despite these perilous days with numerous challenges that many had gone through God had been ever so faithful in bringing us through it all that you might like to utilize and set aside time to reflect and never cease in giving God your heartfelt thanks and praise No matter what difficulty you ve faced over the year or years God had drawn you out When you felt overwhelmed God reached out His hand He wouldn't let you sink or slip So as you reflect on the countless blessings that God had supplied you with you may like to ponder over the many blessings that come from being grateful for the good things we enjoy To enable you get better at giving thanks and building up on your attitude of gratitude this powerful book Thanking GOD with an Attitude of Gratitude will help you do just that and I pray that this small but yet powerful little book will help you every day in 2 ways Firstly it will help you recall and count all your blessings you ve received from the Lord Secondly it will help you express your Gratitude and Thanksgiving for the wonderful inward and eternal matters He has enabled you to enjoy So use your time everyday Reflecting and Thanking God for HIS Goodness HIS Greatness HIS Glory HIS Grace and HIS Gifts in your life I pray that this will be a blessing to you in your times of private fellowship with the LORD

365 Days of Thanking God Daniella Whyte, 2010-11-23 This book is not about the holiday called Thanksgiving It is not about how to celebrate Thanksgiving This book is a challenge to you to cultivate a heart of thankfulness to God and to the people He has placed in your life 365 days of

the year Thankfulness is not about keeping tradition It is a matter of the heart It should be an everyday occurrence It should be a habit it should be a way of life It may seem as though it is small or insignificant to you but it means a lot to God and to others I pray that this book will encourage you and challenge you to be thankful for everything Daniella from the Introduction You simply will not be the same person two months from now after consciously giving thanks each day for the abundance that exists in your life And you will have set in motion an ancient spiritual law the more you have and are grateful for the more will be given you Sarah ban Breathnach
