Insights on Consumer Psychology in the Digital Landscape Mouloudj, Kamel, Bouarar, Ahmed Chemseddine, 2025-08-29 In recent years the digital landscape has dramatically transformed the way consumers interact with products services and brands As technology continues to evolve so too do the behaviors motivations and perceptions of consumers in the digital realm The advent of e commerce social media platforms and mobile technologies has led to new ways of communicating shopping and engaging with brands presenting both challenges and opportunities for marketers and researchers alike Understanding the psychological factors that drive consumer decisions online is crucial for businesses looking to thrive in this dynamic environment *Insights on Consumer Psychology in the Digital Landscape* provides a comprehensive exploration of consumer psychology in the digital age By delving into both theoretical and practical aspects it seeks to uncover the hidden psychological processes that influence consumers online behaviors Covering topics such as buying behavior digital trust and sustainable consumption this book is an excellent resource for psychologists marketers business practitioners researchers academicians and more

Sustainable Consumer Behaviour and the Environment Heesup Han, 2021-12-19 This book advances the tourism and hospitality industry s contribution to meeting the United Nations Sustainable Development Goal 12 of responsible consumption and production It enables a collaboration platform across these sectors in pursuit of common goals for promoting sustainable consumption and environmental protection Sustainable consumer behavior is a principal topic in the current tourism and hospitality industry as many types of unsustainable consumptions pose a threat to society and the natural environment Sustainable consumer behavior is a vital facet of protecting the environment that ultimately benefits the entire society Individuals irresponsible consumption activities are undeniably considerable elicitors of harmful environmental social economic and economic impacts throughout the world Comprehending sustainable consumer behavior is of utmost importance for the tourism and hospitality industry to design innovative and responsible strategies to minimize the negative consequences of tourism The scope of this book includes various sustainable consumptions productions and consumer behaviors in a variety of tourism and hospitality sectors and will be of great value to students scholars and researchers interested in areas such as sustainable consumer behaviour hospitality sustainable development and tourism management The chapters in this book were originally published as a special issue of the *Journal of Sustainable Tourism*

Social Science Perspectives on Climate Change David Canter, 2017-10-02 Although it is generally accepted that the climate is changing for the worse and that human activities are a major contributing factor in that change there is still only marginal response to the challenge posed by climate change The reasons behind this limited response are becoming clearer through the recognition that climate change is not just a set of physical science facts but it is also part of a series of complex social processes Consequently this book is important in providing social science perspectives on a range of attempts to adjust human activity to reduce its environmental impact These attempts vary from the changing of

the dress code in Japanese offices to the creation of zero carbon gated communities in Bangalore India Taken together the contributions to this book provide timely insights into the complexities of saving the planet through human endeavour This book was originally published as a special issue of Contemporary Social Science *Encyclopedia of Sustainable Management* Samuel Idowu, René Schmidpeter, Nicholas Capaldi, Liangrong Zu, Mara Del Baldo, Rute Abreu, 2023-11-21 This encyclopedia is the most comprehensive and up to date source of reference for sustainability in business and management It covers both traditional and emerging concepts and terms and is fully international in its scope More than 700 contributions of internationally renowned experts provide a definitive access to the knowledge in the area of sustainable and responsible management All actors in the field will find reliable and up to date definitions and explanations of the key terms and concepts of management in this reference work The Encyclopedia of Sustainable Management represents all aspects of management and business conduct It takes sustainability as a management concept that gives due credit to the complexity and diverging constraints in which businesses and corporations act today and it emphasizes and focuses approaches that help ensure that today s management decisions and actions will be the basis for tomorrow s prosperity Religion and Consumer Behaviour Gaurav Gupta, Mandakini Paruthi, Shivinder Nijjer, 2023-02-28 Religion is an important part of individual lives playing a major role in our decision making and purchasing Understanding the influence of religion on consumer behaviour is therefore an essential practice for business The COVID 19 pandemic has especially enhanced the influence of consumers religiosity on their consumption decisions This book concentrates on understanding the relationship of religiosity with various aspects of consumption and consumer behaviour to improve policy and build on an under represented topic In this edited collection expert contributors academicians and researchers discuss the influence of religion on consumer behaviour in depth including the dark side of religion on consumers consumption behaviour and religious cults The chapters also explore the ethical issues surrounding consumption and the role of religion on branding and sustainable practices With a broad perspective the book draws on examples of practices from Christianity Islam Hinduism and Buddhism This book will be a particularly valuable resource for scholars and upper level students of marketing consumer behaviour and consumer psychology The interdisciplinary perspectives will also appeal to those studying sociology and globalization **Sustainability in Energy and Buildings** John Littlewood, Robert J. Howlett, Alfonso Capozzoli, Lakhmi C. Jain, 2019-10-26 This volume contains the proceedings of the 11th KES International Conference on Sustainability and Energy in Buildings 2019 SEB19 held in Budapest 4th 5th July 2019 organised by KES International in partnership with Cardiff Metropolitan University Wales UK SEB 19 invited contributions on a range of topics related to sustainable buildings and explored innovative themes regarding sustainable energy systems The aim of the conference was to bring together researchers and government and industry professionals to discuss the future of energy in buildings neighbourhoods and cities from a theoretical practical implementation and simulation perspective The conference formed an exciting chance to present interact and learn about the

latest research and practical developments on the subject The conference attracted submissions from around the world Submissions for the Full Paper Track were subjected to a blind peer review process Only the best of these were selected for presentation at the conference and publication in these proceedings It is intended that this volume provides a useful and informative snapshot of recent research developments in the important and vibrant area of Sustainability in Energy and Buildings
