Inclusive Education for Autistic

Children Rebecca Wood,2019-08-21 This book presents original empirical research that reframes how educators should consider autism and educational inclusion Rebecca Wood carefully unpicks common misapprehensions about autism and how autistic children learn and reconsiders what inclusion can and should mean for autistic learners in school settings Drawing on research and interwoven with comments from autistic child and adult contributors throughout the book argues that inclusion will only work if the ways in which autistic children think learn communicate and exhibit their understanding are valued and supported Such an approach will benefit both the learner and the whole classroom Considering topics such as the sensory environment support learning and cognition school curriculums communication and socialisation this much needed book offers ideas and insight that reflect the practical side of day to day teaching and learning and shows how thinking differently about autism and inclusion will equip teachers to effectively improve teaching conditions for the whole school
