Socratic Puzzles:

Socratic Puzzles Robert Nozick, 1997 One of the foremost philosophers of our time Robert Nozick continues the Socratic tradition of investigation This volume which illustrates the originality force and scope of his work also displays Nozick's trademark blending of extraordinary analytical rigor with intellectual playfulness As such *Socratic Puzzles* testifies to the great pleasure that both doing and reading philosophy can be Comprising essays and philosophical fictions classics and new work the book ranges from Socrates to W V Quine from the implications of an Israeli kibbutz to the flawed arguments of Ayn Rand Nozick considers the figure of Socrates himself as well as the Socratic method why is it a method of getting at the truth Many of these essays bring classic methods to bear on new questions about choice How should you choose in a disconcerting situation Newcomb's Problem when your decisions are completely predictable Why do threats and not offers typically coerce our choices How do we make moral judgments when we realize that our moral principles have exceptions Other essays present new approaches to familiar intellectual puzzles from the stress on simplicity in scientific hypotheses to the tendency of intellectuals to oppose capitalism As up to date as the latest reflections on animal rights as perennial as the essentials of aesthetic merit doggerel by Isaac Newton goes to prove that changing our view of the world won't suffice as whimsical as a look at how some philosophical problems might appear from God's point of view these essays attest to the timeliness and timelessness of Nozick's thinking With a personal introduction in which Nozick discusses the origins tools and themes of his work *Socratic Puzzles* demonstrates how philosophy can constitute a way of life *Robert Nozick* Alan Lacey, 2014-12-18 Although best known for the hugely influential *Anarchy State and Utopia* Robert Nozick 1938-2002 eschewed the label political philosopher because the vast majority of his writings and attention have focused on other areas Indeed the breadth of Nozick's work is perhaps greater than that of any other contemporary philosopher This book is the first to give full and proper discussion of Nozick's philosophy as a whole including his influential work on the theory of knowledge his notion of tracking the truth his metaphysical writings on personal identity and free will his evolutionary account of rationality his varying treatments of Newcomb's paradox and his ideas on the meaning of life Illuminating and informative the book will be welcomed as an authoritative guide to Nozick's philosophical thinking *Interpreting Plato's Dialogues* Angelo J. Corlett, 2005-12-01 This new way of approaching Plato neither sees Plato's words as doctrines according to which the dialogues are to be interpreted nor does it reduce Plato's dialogues to dramatic literature Rather it seeks to interpret the primary aim of Plato's writings as being influenced primarily by Plato's respect for his teacher Socrates and the manner in which Socrates engaged others in philosophical discourse It places the focus of philosophical investigation of Plato's dialogues on the content of the dialogues themselves and on the Socratic way of doing philosophy [The Cambridge Companion to Socrates](#) Donald R. Morrison, 2011 Essays from a diverse group of experts providing a comprehensive guide to Socrates the most famous Greek philosopher **Choice**, 1997 [Mind](#), 2001 Includes papers of the Aristotelian Society

1896 1900 **The Political Philosophy of Robert Nozick. The Minimal State, Entitlement Theory, and the Principle of Justice in "Anarchy, State, and Utopia"** Silambarasan Sibiyon,2023-07-19 Diploma Thesis from the year 2023 in the subject Philosophy Philosophy of the present language English abstract This dissertation aims to provide a comprehensive analysis of the political philosophy of Robert Nozick a prominent figure in contemporary political theory Nozick s work particularly his influential book *Anarchy State and Utopia* has significantly contributed to the discourse on libertarianism and individual rights This study critically examines Nozick s key concepts such as the minimal state entitlement theory and the principle of justice in transfer By delving into his arguments and engaging with relevant scholarly debates this research seeks to shed light on the strengths and weaknesses of Nozick s political philosophy The dissertation employs a multidisciplinary approach that draws upon philosophical analysis political theory and legal studies It begins by providing an overview of Nozick s intellectual background and influences highlighting his departure from classical liberal thinkers such as John Locke Subsequently it explores Nozick s core ideas regarding the role of government in society and his defense of individual rights against redistributive policies Furthermore this study investigates criticisms leveled against Nozick s philosophy from various perspectives These critiques range from concerns about distributive justice to questions about the feasibility and sustainability of a minimal state By engaging with these criticisms this research aims to evaluate the robustness of Nozick s arguments and their implications for contemporary political thought In addition to analyzing Nozick s theoretical framework this dissertation also examines its practical implications It investigates how Nozick s ideas have influenced public policy debates in areas such as taxation welfare provision property rights and economic inequality By exploring real world applications of his philosophy this research seeks to assess its relevance in addressing pressing social issues Ultimately this dissertation contributes to a deeper understanding of Robert Nozick s political philosophy by critically evaluating its strengths and limitations By engaging with both supportive arguments and critiques this research aims to provide a comprehensive analysis that will inform future discussions on libertarianism individual rights and the role of the state in contemporary political theory

The Utne Reader ,1999-11 *Eidos* ,2004 *Plato 2* Gail Fine,1999 This volume looks at central area in Plato s philosophy ethic politics religion and the soul In includes essays on virtue knowledge and happiness justice and happiness pleasure Platonic love feminism the ideally just state democracy and totalitarianism and the nature of the soul and moral motivation

The Philosophical Review Jacob Gould Schurman,James Edwin Creighton,Frank Thilly,Gustavus Watts Cunningham,2006 **A Selection of Passages from Plato for English Readers** Plato,1895

Plato and Protagoras Oded Balaban,1999-10-06 Are human beings antithetical in nature Is there a radical difference between pleasure efficiency and moral good or is the conflict only imaginary These have traditionally been considered the central questions of Plato s most vivid dialogue the *Protagoras* Many interpreters have seen this dialogue as a confrontation between the moralist Plato and the relativist Protagoras This dichotomy is manifest when Plato and Protagoras discuss

theoretical questions concerning either knowledge of facts or knowledge of values Through a careful examination of the text specifically of practical questions about values Oded Balaban breaks with tradition by concluding that Plato and Protagoras do not exemplify characteristic moralism or relativism at all He finds that the issue at the crux of the discussion is instead that of the criterion for knowledge and valuation the Protagoras thus describes the search for a standard by which anything may be known and valued Balaban applies the fundamental question of standards to that of the entire field of rhetoric Should a discourse be short or long simple or complex What is the standard for conducting literary criticism The author's revolutionary approach to the Protagoras also involves a study of the myth of Protagoras and situates the dialogue within its framework

Founders of Thought Richard Mervyn Hare, Jonathan Barnes, Henry Chadwick, 1991
Enth Plato R M Hare Aristotle Jonathan Barnes Augustine Henry Chadwick
Plato 1 Gail Fine, 1999 The aim of the series is to bring together important recent writing in major areas of philosophical inquiry selected from a variety of sources The editor of each volume contributes an introductory essay on the items chosen and on the questions with which they deal A selective bibliography is appended as a guide to further reading

Hermathena, 2000
A selection of passages from Plato, from the tr. by B. Jowett, ed. with intr. by M.J. Knight Plato, 1895
Apeiron, 1993
On Nozick Edward Feser, 2004 This title offers a concise yet comprehensive introduction to this philosopher's most important ideas
Reason Papers, 2000
