Don t waste battalion command on this officer would generally be a phrase army officers would prefer to be absent from their officer efficiency report but in this case it was a capture phrase in Chapter 5 Mules and Doctors and what follows will shock you Much like Georgia Hunter s New York Times Bestseller We Were the Lucky Ones this book includes a series of questions that stimulate thought and reflection and while a work of fiction it is based on actual events in the life of a soldier as he transitions from Private to Lieutenant Colonel Soldier Stories is about learning lessons about leadership career management risk taking ethics dignity and respect and a host of other values Such learning and enjoyable yet engaging reading is best done through true life stories from an experienced leader and master storyteller Such is the case with Soldier Stories by 27 year Army veteran and 15 year IBM manager Dave Merritt You will be hooked from the start as a young soldier makes career and ethical decisions about something as simple as wearing a mustache There is a story about how to exercise leadership by addressing harassment and getting arrested and when it is right moral and ethical to stick your neck out He addresses the training of a new lieutenant by an experienced sergeant and how that training set positive career accomplishments in motion Merritt points out how to use the chain of command to correct ethical and regulatory improprieties and how to intervene on behalf of a colleague In once chapter he illustrates through example a potential court martial experience that should have been avoided and how important human dignity is to everyone The chapter entitled Integrious provides a humorous story regarding a simple but important word After each chapter there are questions stimulating discussion points and an opportunity to reflect on how you might handle a similar situation This is teaching at its best a worthwhile read and an ideal classroom resource for military and civilian leadership management and ethics classes wherever they are taught Importantly this is volume one of three from someone who rose from Private to Command of a huge battalion as an Army Lieutenant Colonel Soldier Stories is captivating educational and funny but it s also an easy and enjoyable read on a series of important topics Buy it today Once you start reading you will not want to put it down

**World War 1 Soldier Stories** Ryan Jenkins,2015-05-02 UPDATE SECOND EDITION WITH ADDED CONTENT World War I also known in its time as the Great War or the War to End all Wars was an unprecedented holocaust in terms of its sheer scale Fought by men who hailed from all corners of the globe it saw millions of soldiers do battle in brutal assaults of attrition which dragged on for months with little to no respite Tens of millions of artillery shells and untold hundreds of millions of rifle and machine gun bullets were fired in a conflict that demonstrated man s capacity to kill each other on an unprecedented scale The enduring image of

World War I is of men stuck in muddy trenches and of vast armies deadlocked in a fight neither could win There were heroes though Men who fought against odds so great that few would survive These are the stories of just a few Read about the Devil Dog who brought home not one but two Medals of Honor and was even nominated for a third for his service Find out more about the German general who came home a hero and dared to challenge Hitler He was one of the few that survived doing so Learn about the Jungle Fox and his daring charges War is hell Many men don t survive that those that do are left with a lasting impression of the horrors witnessed These stories honor those that fought for their countries and the other men who stood beside him Pick up a copy of your own today Comments From Other Readers I ll be honest I didn t pay much attention in my history class when it came to wars They were over so why should I care History is bound to repeat itself In terms of war that s generally with tragic results While the war itself was brutal these brave men highlighted in the book took on immeasurable odds to save the lives of those around them Starting with a short history of the war it runs into these amazing stories I wish I had paid attention when I was younger but I m certainly paying attention now Hank Montana US The heroics of men under the strain of war are something of a marvel Any man that would willingly sacrifice himself for the life of another is to be commended To do so repeatedly is heroic Those that fight in any war for the freedom of others should all be considered heroic There are some that stand out amongst the rest though These are some of such stories from men who fought with valour in World War I The author excels in his description of the history surrounding the war as well as his efforts in extolling the actions of these men Truly a wonderful book Jacques Montreal Canada Tags WWI World War the great war war heroes medal of honor silver star navy cross Germany French Belleau Wood Devil Dogs Marines Jungle fox Africa Paris doughboys mustard gas Archduke Ferdinand alliance system Erik Larson Dead Wake The Fall of the Ottomans Guns of August Seek out and Destroy Lawrence in Arabia Winged victory flanders field dauntless her privates we the last of the doughboys alan evans thunder at dawn eve of war **Southern Soldier Stories** George Cary Eggleston,2017-07 Southern Soldier Stories is an unchanged high quality reprint of the original edition of 1898 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future *World War 2 Soldier Stories Part II* Ryan Jenkins,2014-08-22 For any historical event no amount of analysis and discussion can ever take the place of the stories of the brave men and women who actually participated In this second volume of such tales you will be given a glimpse into some of the most heroic acts of the Second World War Building off of the first volume this release will bring you even more exciting true stories from the war Grab your copy today and be inspired Make sure to check out Part I of Soldier Stories by copying and pasting this code into Amazon s search bar B00KWPOCRU Here s a Preview of What You Will Learn Fazal Din s story The Mad Major Lt Col
