Strange Spirits:

Accessing the Deliverance Power of the Holy Spirit over All Spirits of Infirmities Prophet 'Seun A. Akinpelu, 2020-05-28
The battle of this generation is intense and Satan has vowed to unleash terror on God's children. Among other spirits which Satan has deployed to cripple believers is the spirit of infirmity. The spirit of infirmity was of major concern to the Lord Jesus Christ even when he was physically on earth. This is the reason why deliverance and healing were prominent in his earthly ministry. To open a door, the right key is required. This book in your hand is a kingdom key that will open the door to deep revelations about deliverance from spirits of infirmities. Among other spiritual insights revealed in this book, you stand to learn the following: The reason why every believer needs the bread of deliverance; The gateways deployed by the spirits of infirmities to attacking believers; What gives the spirits of infirmities the power to resist medications and therapy; Spiritual havoc which the spirits of infirmities cause immediately after entering the body of their victims; and how to combat them; How to deal with the spirits of infirmities headlong; How to keep off the spirits of infirmities after receiving deliverance. This book also contains diverse testimonies of people put together to establish the faith of God's children.

Indigeneity and Decolonization in the Bolivian Andes Anders Burman, 2016-12-15
Indigeneity and Decolonization in the Bolivian Andes: Ritual Practice and Activism explores how Evo Morales's victory in the 2005 Bolivian presidential elections led to indigeneity as the core of decolonization politics. Anders Burman analyzes how indigenous Aymara ritual specialists are essential in representing this indigeneity in official state ceremony and in legitimizing the president's role as the indigenous president. This book goes behind the scenes of state-sponsored multiculturalist ritual practices and explores the political, spiritual, and existential dimensions underpinning them.
