

Stubborn Child

**I need to believe in me
Of the one I become to be
Even if they died
Ofcourse they all cried
You know that they all love you
You know that its true
To save someones life
From a baby to a husband and wife
Its harder than you though**

**So lets take a look of what you bought
The devils lies and pain
The gods cries like rain
Open your heart to those eyes
Ignore your loved ones goodbyes
Its all in your head my dear
Your love, your hate, your fear
If you think that you are done
That you can just turn around and run
But its not that easy my dear
Just to take your glass and cheer**

**You have to do more than that
Or you will dissapear in the black hat
They will cry for your sake
This time it will not be fake
Then when you look in the eyes of death
You will cry before your last breath**

A Dark Lifetime ...

Theory of African Literature Chidi Amuta, 2017-06-15 This groundbreaking work first published in 1989 was one of the first to challenge the conventional critical assessment of African literature and remains highly influential today Amuta's key argument is that African literature can be discussed only within the wider framework of the dismantling of colonial rule and Western hegemony in Africa In exploring the possibility of a dialectical alternative critical base he draws upon both classical Marxist aesthetics and the theories of African culture espoused by Fanon Cabral and Ngugi From these explorations Amuta derives a new language of criticism which is then applied to works by modern
