
The MBASIC[™] Handbook

Even if you've never used a computer before, the information in this book will help you build excellent programming skills that you can effectively use for business, education and personal applications.

Written by an author team with over twenty years of teaching experience, **The MBASIC[™] Handbook** is a clear, concise, step-by-step tutorial which covers:

- **MBASIC[™] tools:** getting to know your computer and defining terms.
- **Beginning programming:** descriptions of all statements, functions, commands, and operators.
- **Working with loops, strings, arrays and subroutines,** sequential and random access files.
- **Debugging and documenting your programs.**
- **Special business applications** including payroll and mailing lists.
- **An added bonus of five, fully documented business programs** that you can customize for your own needs.

If you're looking for just one book on MBASIC that will lead you from beginning concepts to a full-fledged understanding of how to develop functional programs for home and business use, you've found it — it's all here in **The MBASIC[™] Handbook!**
