Letting Go of Forever Jim Rule,Rule Jim Rule,2010 Jim and Peg Rule were living active lives when without warning back pain signaled the onset of cancer and in less than nine months Jim s life partner of thirty seven years was gone Like many others who have lost a loved one to premature death Jim faced the difficult challenge of going on with his life As folded socks toothbrushes and shampoo became near sacred objects Jim wondered why God had not prevented Peg s death In this collection of poignant essays Jim not only shares the thoughts and feelings that express his sorrow as he walked through the journey of grief but also provides insight and sensitivity into the workings of God and how He provides assurance and courage even in the face of great tragedy Written in two parts aftermath and individuation Jim details the beginning of his solitary life how he muddled through the holidays and other firsts and how he learned to establish his individuality separate and distinct from whom he had become with his wife For anyone traveling through the darkness after the shadow of death Letting Go of Forever touches the soul inspires a broken heart and encourages the belief that better days will come

Restoring Valor Doug Sterner,Pam Sterner,2014-02-04 Terrific read Stories of stolen valor you won t believe and those who hunt them down and participated in writing legislation to restore dignity to all those who have truly served in combat Peter C Lemon recipient Congressional Medal of Honor Stolen valor occurs when a person lies about receiving military decorations that he or she has in fact never earned It has become a major societal problem that has been discussed numerous times in the news according to the New York Times the Department of Veterans Affairs paid disability benefits to more than six hundred people falsely claiming to have been POWs in the Vietnam and Persian Gulf wars The number of stolen valor cases reported to the FBI has tripled in the last decade In fact more imposters lie about earning high military declarations for battlefield bravery than the actual number of real life hero recipients These imposters trade on tales and the trappings of military valor to secure privileges such as career advancements and even unearned veterans benefits In Restoring Valor Doug Sterner provides riveting case

studies of the stolen valor imposters he s investigated and exposed and the serious crimes including murder they ve committed He chronicles the evolution of stolen valor from the inception of the republic to today Sterner shows why the federal law he and his wife Pam helped to enact the Stolen Valor Act is necessary Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
