The First Jewel Of Earth:

The First Jewel of Earth James W Greenhalge,2023-04-27 At the turn of the century a promising and largely unknown future awaited this traveler But was it the Twenty first century the First century or some other mysterious milestone You were there also traveling even though you may have been only partially aware of it For you see my friend we all travel sometimes together but more often alone We learn from our own experiences sometimes lessons taught by others and then there is the perpetual quest for wisdom Some lessons are joyous and positive others are tragic and debilitating while so many others are tedious and repetitious We treasure the seemingly good lessons and regret the bad ones yet they all contribute to our promising and unknown future shaping who we are and where we are going Is it possible to believe that all things could work together for good All things Even the bad things Join us in the traveling Let s find out This book is Part Two of the Traveler s ongoing search for Wisdom a rare jewel that is an integral component to a mystical pendant given to him by the King of another reality His quest is for the First Jewel of Earth First published in 1999 this new edition has been revised re edited and refreshed with new chapters While it would be a more complete journey having read Part One first this second part stands alone and you will quickly find yourself traveling with him But be warned you will not return to the way it once was

The Fifth Jewel of Earth James W. Greenhalge,2014-10-21 Then quietly the Counselor continued Your traveling is needed again The pendant you wear was purchased at an awesome price That much is finished And no principality or power in heaven or on earth can undo that accomplishment The bridge has been rebuilt and the path has been thrown open Now you must complete your traveling in fear and trembling Salvation is between you and the King but working out your salvation is between you and Me Wisdom has been given to allow you to see the plan Knowledge to understand the circumstances and Belief in the Plan to strengthen you for the long hard journey Choosing life here the Counselor hesitated touched again by the inestimable cost of that horrific sacrifice provides you with an inerrant compass toward home Now I need you to acquire Right Standing the privilege to face the Creator in His throne room He is perfection itself chosen mortal and all imperfection will be consumed by His righteous indignation Your best efforts will not be enough Not enough The last sentence echoed down the corridor Your best efforts will not be enough How was he to acquire something which his best efforts could not attain How do you acquire the unattainable Fifth in the Jewels of Earth collection the continued fighting in the forever war has already cost the king His life and the Traveler narrowly escaped with his own To return to the fluid battlefield of time is dangerous enough but the enemy is attempting to alter the timeline and the forces of the Cabala are taking matters into their own hands Failure forfeits the future Yet even if he succeeds the Traveler risks never being able to return home His journey is yours Join the resistance There is a jewel waiting for you

The First Jewel of Earth James W. Greenhalge,2023-03-14 He s waiting for you With this enigmatic invitation the Traveler finds himself swept into a world that is completely alien yet strangely familiar He is told that he will be returning home yet this new world is inhabited by elves

trolls and centaurs Everything has changed Magic mysticism and superstition seem to hold more power here than logic and rationality And a disturbing truth emerges human history is being deliberately rewritten to disguise an invasion by rebels from another dimension intent upon harnessing humanity to their will Opposing them is the sovereign government from this same dimension whose leadership will not become directly involved in the struggle on Earth Humans must be recruited then trained to resist this ominous distortion of history Given the assistance of two extraordinary companions and a magical pendant the Traveler is told to recover an item lost in the conflict since antiquity an integral part of a much more powerful mechanism the First Jewel of Earth You will find yourself challenged to place this book within conventional categories Is this fiction fantasy or prophecy Is this story set in the distant past or the emerging future Is it possible that two alien forces have been struggling for control of human history since the beginning of time Join the Traveler in pursuing this quest Like him your reality will be forever changed

The Fourth Jewel of Earth James W. Greenhalge,2008-12-01 You were once given a helmet A helmet The Traveler thought for a long moment Yes Soterionthe defender he affirmed You must learn to wear it in battle instructed the Preacher You take so many blows to your soul because your intellect is open to the enemy When am I in battle Ishi shook him gently Every day is a battle Traveler Take every thought captive remember Salvation is forever and yet the need for it occurs in the daily battlefield You must work it out with reverential fear and trembling Wear your helmet Traveler Fourth in the Jewels of Earth saga this novel sends the Traveler careening through human history searching for the mysterious Omnipoint He must find it His supernatural guardian has warned him that beyond was only utter and eternal darkness Meanwhile the black magic of the Cabala is distorting reality around him humanity is dominated by animal compromises and his immortal enemies seek his life Is the beautiful unicorn shadowing his every move a fellow traveler or a dangerous deception How can any of this be human historyhis historyyour history Wear your helmet Traveler

The Third Jewel of Earth James W. Greenhalge,2005-11-10 It is a love storya wedding feast with all of the guests absent without cause It is a mathematical equation thrown into chaos by disruptive variables but struggling to return to symmetry He leaned forward in his chair for emphasis It is war Everyone playeveryone traveleverything that is good and perfect about this life for all eternity is at stakeand the winner takes all The traveling continues The Third Jewel of Earth follows the ongoing journal of a solitary man swept up into a fantastic battle to save his world But is it really his world Centaurs trolls and animal headed human compromises inhabit this strange new reality with malevolent eternal enemies bent upon his destruction And the pendant about his neck glows with the presence of the first two Jewels Shouldnt Wisdom and Knowledge be enough Sequel to his popular novels The First and Second Jewels of Earth the author takes you on another journey to the distant past surveying Biblical prophesy ancient history and your future

The First Jewel of Earth James W. Greenhalge,2000-04-27 H4 He s waiting for you With this enigmatic invitation the Traveler finds himself swept into a world that is completely alien yet strangely familiar He is told that he will be returning home but this new world is inhabited by elves trolls and centaurs

Everything is changed Magic mysticism and superstition seem to hold more power than logic and rationality And a disturbing truth emerges Human history is being deliberately rewritten to disguise an invasion by rebels from another dimension intent upon harnessing humanity to their will Opposing them is the sovereign government from this same dimension whose leadership will not become directly involved in the struggle Humans must be recruited then trained to resist this distortion of history Given the assistance of two extraordinary companions and a magical pendant the Traveler is told to recover an item lost in the conflict since antiquity an integral part of a more powerful mechanism the First Jewel of Earth You will find yourself challenged to place this book within conventional categories Is this fiction fantasy or prophesy Is this story set in the distant past or the emerging future Is it possible that two alien forces have been struggling for control of human history since the beginning of time Join the Traveler in pursuing this quest Like him you will not return home to the way it was *The Second Jewel of Earth* James W. Greenhalge,2003-12-11 So much collected wisdom and still no answers observed a very familiar male voice behind him The hair on the back of his neck rose No it couldn t be That was yesterday in another reality He shivered involuntarily hoping he was wrong about the voice The traveling begins again The Second Jewel of Earth follows the continuing story of a solitary man swept up in a fantastic battle to save his world But is it really his world Centaurs trolls and animal headed human compromises inhabit this strange new reality with malevolent enemies bent on his destruction And the pendant about his neck glows with the presence of the First Jewel a blood red reminder that the King he serves is more fearsome than his enemies Sequel to his popular novel *The First Jewel of Earth* the author takes you on yet another journey to the distant past as the Traveler searches for the second jewel to his incredible pendant This series surveys Biblical prophesy and ancient history revealing the origins of a supernatural war whose decisive battle is being fought today As you join in this adventure you will never travel alone Come enjoy your journey *The Third Jewel of Earth* is expected in late 2004
