The Holy Paragon Bob Karnes,2016-02-21 Twenty five years after the fact the author re lives his high school experience With subject photographs and references to the 1970s City of the Beast Phil Baker,2022-08-16 A work that combines biography and psychogeography to trace Aleister Crowley s life in London I dreamed I was paying a visit to London Aleister Crowley wrote in Italy continuing It was a vivid long coherent detailed affair of several days with so much incident that it would make a good sized volume Crowley had a love hate relationship with London but the city was where he spent much of his adult life and it was the capital of the culture that created him Crowley was a post decadent with deviant Victorian roots in the cultural ferment of the 1890s and the magical revival of the Golden Dawn Not a walking guide although many routes could be pieced together from its pages this is a biography by sites A fusion of life writing with psychogeography steeped in London s social history from Victoria to the Blitz it draws extensively on unpublished material and offers an exceptionally intimate picture of the Great Beast We follow Crowley as he searches for prostitutes in Hyde Park and Pimlico drinks absinthe and eats Chinese food in Soho and find himself down on his luck in Paddington Green and never quite losing sight of the illumination that drove him the abiding rapture he wrote in his diary which makes a bus in the street sound like an angel choir The Northman's Bride Sandra Lake,2016-05-17 Passions flare in the icy north in the third Sons of the North Romance novel from the author of The Warlord s Wife and The Iron Princess Sovia daughter of Baron Losna is on a mission to seduce St I Magnusson firstborn son of Swedish warlord Jarl Magnus Knutson and heir to his seat With a civil war on the stakes are high The Baron needs the money and political alliance that Sovia s marriage to St I would secure Fortunately Sovia s skill with men not to mention the rugged good looks of her target makes the assignment all too easy But the tables turn when Sovia realizes she has taken the wrong Magnusson St I s twin brother H k to bed Wrong brother or not H k is enamored and offers to marry Sovia When that offer is rejected by her father H k s heart and pride are broken Seven years later as Lady Sovia is about to be executed by Norway s usurper king H k now a battle hardened warrior comes to her rescue by finally taking her hand in marriage Though his intent is to take revenge as well as her hereditary land he cannot help but be impressed by her unbreakable spirit But Lady Sovia has secrets that will make it nearly impossible for them to live happily ever after Includes a preview of The Warlord s Wife Praise for the Sons of the North Romance novels With compelling characters and a clever plot The Warlord s Wife will appeal to readers obsessed with TV s Vikings and who miss the classic Viking romances of Catherine Coulter or Johanna Lindsey Heroes and Heartbreakers Sure to appeal to those who enjoy spirited heroines grumpy alpha heroes and a slow sweet journey to everlasting love Smexy Books Man this was a fun book I cut my teeth on Johanna Lindsey and this book reminded me so much of those experiences Dear Author The perfect combination of romance and drama Buried Under Romance Sandra Lake is an exciting new writer her work is a joy to read Maggie Jagger author of Perfect Obedience **The Catholic Invasion of China** D. E. Mungello,2015-07-01 The

culmination of D E Mungello's forty years of study on Sino Western history this book provides a compelling and nuanced history of Roman Catholicism in modern China As the author vividly shows when China declined into a two century cycle of poverty powerlessness and humiliation the attitudes of Catholic missionaries became less accommodating than their famous Jesuit predecessors He argues that invasion accurately characterizes the dominant attitude of Catholic missionaries especially the French Jesuits in their attempt to introduce Western religion and culture into China during the nineteenth and early twentieth century Elements of this attitude lingered until the end of the last century when many Chinese felt that Pope John Paul II's canonization of 120 martyrs reflected the imposition of an imperialist mentality In this important work Mungello corrects a major misreading of modern Chinese history by arguing that the growth of an indigenous Catholic church in the twentieth century transformed the negative aspects of the invasion into a positive Chinese religious force
