The Holy Passions:

Holy Passion Sarah Wiatr,2017-01-04 Do you believe you were born to change the world And do you think its actually possible These are two questions to ask yourself before you even read this book This is because this book is for those whose aim is to make a difference in this world Its for those who are unsatisfied with allowing darkness injustice and hopelessness to enslave people and who want to be part of a counter culture attack that brings true freedom Now is this book for you I will say this We need you We need as many people as we can get to join a generation that is called to action Do you know Jesus and are seeking what it means to follow Him in a deeper more radical way Are you looking for ways to make your faith come alive Do you want your life to have meaning Have you longed to see Gods kingdom come Is your soul hungry for more Will you be willing to give whatever it takes to see transformation come to you and the people around you In my own reflection to answer all these questions I believe there is a key It is something called holy passion Its a holy passion for Jesus that fills you and causes movement in ways you have never experienced before Embrace a new journey of holy passion in action It will be one you will never forget
