**The Homosexual Question** Marc Oraison,1977      The Gay Question Bob McCubbin,1979      **The homosexual question** Marc Oraison,1977      *101 Frequently Asked Questions About Homosexuality* Mike Haley,2004-06-01 101 Probing Questions 101 Compassionate and Scriptural Answers from Focus on the Family s Mike Haley Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture Homosexuals are adopting children appearing as characters on television programs taking vacations catering to an exclusively gay clientele and even seeking the right to marry their partners But is this acceptance healthy for society Few topics can raise so many questions so quickly And for many readers those questions hit close to home as they learn of the homosexuality of a loved one or close friend Here are the answers to the most often asked questions about homosexuality fielded by an expert on the subject and a former homosexual himself

**New Intimacies, Old Desires** Oishik Sircar,Dipika Jain,2017-06-21 In the last 15 years queer movements in many parts of the world have helped secure the rights of queer people These moments have been accompanied by the brutal rise of crony capitalism the violent consequences of the war on terror the hyper juridification of politics the financialization managerialization of social movements and the medicalization of non heteronormative identities practices How do we critically read the celebratory global proliferation of queer rights in these neoliberal times This volume responds to the complicated moment in the history of queer struggles by analysing laws state policies and cultures of activism to show how new intimacies between queer sexuality and neoliberalism that celebrate modernity and the birth of the liberated sexual citizen are in fact reproducing the old colonial desire of civilizing the native By paying particular attention to the problematics of race religion and class this volume engages in a rigorous self reflexive critique of global queer politics and its engagements confrontations and negotiations with modernity and its investments in liberalism legalism and militarism with the objective of queering the ethics of our queer politics Published by Zubaan

*De-Moralizing Gay Rights* Cyril Ghosh,2018-05-18 This book critically interrogates three sets of distortions that emanate from the messianic core of 21st century public discourse on LGBT rights in the United States The first relates to the critique of pinkwashing often advanced by scholars who claim to be committed to an emancipatory politics The second concerns a recent US Supreme Court decision Obergefell v Hodges 2015 a judgment that established marriage equality across the 50 states The third distortion occurs in Kenji Yoshino s theorization of the concept of gay covering Each distortion produces its own injunction to assimilate sometimes into the dominant mainstream and at other times into the fold of what is axiomatically taken to be the category of the radical Using a queer theoretic analysis *De Moralizing Gay Rights* argues for the dismantling of each of these three sets of assimilationist injunctions

The Gay Republic Enda McCaffrey,2023-01-13 The French Republic does not discriminate or differentiate between individuals in terms of gender difference or ethnicity However recent legislation has enshrined the rights of gays and lesbians and it is this legislation that has inspired the author to examine the unique relationship between

the Republic and its citizens in this case gay and lesbian citizens The author assesses the impact the new legislation has had on France as a democratic multicultural republic founded on equality of citizenship and on the lesbian and gay community caught between inclusion and exclusion The book combines approaches from sociology political science legal studies cultural studies and the study of gender and sexuality and will appeal to academics and postgraduates in these fields **Assessment of the Plan to Lift the Ban on Homosexuals in the Military** United States. Congress. House. Committee on Armed Services. Military Forces and Personnel Subcommittee,1994 *Queer Questions, Clear Answers* Thomas S. Serwatka,2010-05-05 This provocative book examines the important issues in contemporary debates on sexual orientation from our various religious beliefs to our stereotypes about homosexuals from questions about the origin of sexual orientation to the lessons we can learn from history *Queer Questions Clear Answers The Contemporary Debates on Sexual Orientation* offers an eye opening conversation about questions facts and fears relative to sexual orientation The book is framed around a series of nine sets of queer questions including Who is queer and who is not How do we interpret and use sacred scriptures to control behavior and set public policy What lessons can we learn from history and psychology and What is the homosexual agenda The author himself a gay man and prominent academic combines cross disciplinary research and personal anecdotes in his intriguing search for answers to questions that are central to ongoing cultural and political debates In discussing each set of questions he examines perspectives and arguments from across the political spectrum The clear articulate and wholly candid answers he offers will help readers get beyond the headlines and the sound bites to better understand many important arguments about homosexuality and human rights *The Homosexual and His Society* Donald Webster Cory,John P. LeRoy,1963 MEN, WOMEN, AND GOD A DISCUSSION OF SEX QUESTIONS FROM THE CHRISTIAN POINT OF VIEW A. HERBERT GRAY,1923 The Homosexual Neurosis Wilhelm Stekel,1922 *The Holocaust and History* United States Holocaust Memorial Museum,2002-07-02 The Holocaust and History examines the various disputes surrounding the Holocaust examining why it should have come about how different sets of people reacted to it and what lessons should be learned for the future **The Right to Maim** Jasbir K. Puar,2017-10-11 In *The Right to Maim* Jasbir K Puar brings her pathbreaking work on the liberal state sexuality and biopolitics to bear on our understanding of disability Drawing on a stunning array of theoretical and methodological frameworks Puar uses the concept of debility bodily injury and social exclusion brought on by economic and political factors to disrupt the category of disability She shows how debility disability and capacity together constitute an assemblage that states use to control populations Puar s analysis culminates in an interrogation of Israel s policies toward Palestine in which she outlines how Israel brings Palestinians into biopolitical being by designating them available for injury Supplementing its right to kill with what Puar calls the right to maim the Israeli state relies on liberal frameworks of disability to obscure and enable the mass debilitation of Palestinian bodies Tracing disability s interaction with debility and capacity Puar offers a brilliant rethinking of Foucauldian biopolitics while showing how

disability functions at the intersection of imperialism and racialized capital      **Coming Out Under Fire** Allan Berube,1990  
Among the many histories of fighting men and women in World War II little has been written about the thousands of homosexuals who found themselves fighting two wars one for their country the other for their own survival as targets of a military policy that sought their discharge as undesirables To write this long overdue chapter of American history Allan B rub spent ten years interviewing gay and lesbian veterans unearthed hundreds of wartime letters between gay GIs and obtained thousands of pages of newly declassified government documents While some gay and lesbian soldiers collapsed under the fear of being arrested interrogated discharged and publicly humiliated many drew strength from deep wartime friendships Relying on their own secret culture of slang body language and camp to find each other and build spontaneous communities they learned both on and off the battlefield to be proud of their contribution and of who they were From publisher description

**Welcome to the Gay Age** John L. Kavanaugh,2004 The first apartheid law that South Africa rescinded was their law forbidding interracial marriage The first law that was instituted by the Christian Roman emperors against homosexuality was a law forbidding homosexual marriages Those two actions might well be viewed as brackets containing what we might refer to as the modern age We may already be in the post modern age Certainly we still have all sorts of problems to resolve Those laws against homosexual and interracial marriages are symbols of the prejudices and discriminations that the modern age has been and of the fear behind those prejudices and discriminations      Unfair John Ernest Shore,2013 Shore is one of America s leading Christian writers on the subject of gay people and Christianity His essays are widely credited with being central to the sea change in Christian thinking that has occurred on this issue in recent years UNFAIR offers the best of Shore s writings on homosexuality and Christians Christianity along with heart wrenching but ultimately inspiring letters from gay people telling what it s like to grow up and live today both gay and Christian The book s opening essay Taking God at His Word The Bible and Homosexuality is a must read for anyone seeking clarity on the relationship between the Bible Christianity and LGBT people If you read only one book on this subject make it this one This is the revised and updated edition of Shore s book UNFAIR Why the Christian View of Gays Doesn t Work      *The Homosexual Dialectic* Joseph Anthony McCaffrey,1972 Verzameling eerder verschenen artikelen ingedeeld in Straight perspectives o a Laud Humphreys en Radical gay perspectives      **How Should We Think About Homosexuality? (Questions for Restless Minds)** Mark A.

Yarhouse,2022-02-02 Do you have an informed and biblical view on homosexuality In How Should We Think About Homosexuality Mark A Yarhouse brings his expertise to bear on this question If we are to speak with clarity and conviction we must first be informed Christianity has long held a sexual ethic regarding creation family and sexuality and Christians must know how to relate to other views of sexuality Yarhouse considers how to think about recent scientific findings and sexual identity language before suggesting avenues of fruitful discipleship for same sex attracted Christians      *What's Wrong with Homosexuality?* John Corvino,2013-02-01 For the last twenty years John Corvino widely known as the author of

the weekly column *The Gay Moralist* has traversed the country responding to moral and religious arguments against same sex relationships. In this timely book he shares that experience addressing the standard objections to homosexuality and offering insight into the culture wars more generally. Is homosexuality unnatural? Does the Bible condemn it? Are people born gay and should it matter either way? Corvino approaches such questions with precision, sensitivity, and good humor. In the process he makes a fresh case for moral engagement, forcefully rejecting the idea that morality is a private matter. This book appears at a time when same sex marriage is being hotly debated across the U.S. Many people object to such marriage on the grounds that same sex relationships are immoral or at least that they do not deserve the same social recognition as heterosexual relationships. Unfortunately, the traditional rhetoric of gay rights advocates, which emphasizes privacy and tolerance, fails to meet this objection. Legally speaking, when it comes to marriage, tolerance might be enough. Corvino concedes, but socially speaking, marriage requires more. Marriage is more than just a relationship between two individuals recognized by the state. It is also a relationship between those individuals and a larger community. The fight for same sex marriage ultimately is a fight for full inclusion in the moral fabric. What is needed is a positive case for moral approval, which is what Corvino unabashedly offers here. Corvino blends a philosopher's precision with a light touch that is full of humanity and wit. This volume captures the voice of one of the most rational participants in a national debate, noted for generating more heat than light.

The Homosexual Question: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Homosexual Question : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
