Leach,1991-04-01      **Human Puppet** Lee Charles,2005-12 Because my books are so realistic stimulate the mind and the discussions come from true life situations many readers have asked me if my books are about me There is some of the author in each book he or she writes My stories basically come from everyday life My themes are taken from wherever I feel there is a need for someone to open up to feelings or express pain that might not be dealt with because of the extremity We must realize that we are living in a graphic pain ridden world A world that is changing faster than we care to accept A world that has become more visual and imperfect than ever before but nothing will be remedied if we try to keep our heads in the sand and pretend that nothing is different There are too many immature and irresponsible individuals selling or indulging in strong drugs alcohol playing house and suffering with AIDS and other harmful STD s due to promiscuity and ignorance regarding sex sexuality intimate crimes and narcotic involvement      *The Conspiracy against the Human Race* Thomas Ligotti,2018-10-02 In Thomas Ligotti s first nonfiction outing an examination of the meaning or meaninglessness of life through an insightful unsparing argument that proves the greatest horrors are not the products of our imagination but instead are found in reality There is a signature motif discernible in both works of philosophical pessimism and supernatural horror It may be stated thus Behind the scenes of life lurks something pernicious that makes a nightmare of our world His fiction is known to be some of the most terrifying in the genre of supernatural horror but Thomas Ligotti s first nonfiction book may be even scarier Drawing on philosophy literature neuroscience and other fields of study Ligotti takes the penetrating lens of his imagination and turns it on his audience causing them to grapple with the brutal reality that they are living a meaningless nightmare and anyone who feels otherwise is simply acting out an optimistic fallacy At once a guidebook to pessimistic thought and a relentless critique of humanity s employment of self deception to cope with the pervasive suffering of their existence *The Conspiracy against the Human Race* may just convince readers that there is more than a measure of truth in the despairing yet unexpectedly liberating negativity that is widely considered a hallmark of Ligotti s work      **Spaces of Puppets in Popular Culture** Janet Banfield,2022-06-01 This first book length exploration of geographical engagement with puppets examines constructions of puppets in contemporary popular British culture and considers the various ways in which puppets and humans not just puppeteers are unified in diverse cultural media Organised around themes of metaphorical performative and transformational puppets the work draws out how puppets are used in diverse cultural media fiction music television film and theatre how they are constructed through those uses and to what effect Both puppets as generalised forms bodily relational or ideational and specific puppet characters Mr Punch Pinocchio are explored Building upon existing associations between puppets and the grotesque the volume extends understandings of the puppet by elaborating borderscaping strategies through which puppets are constructed and an alternative perspective on the uncanniness of puppets Geographically it unearths distinct puppet spatialities identifies the socially critical potential of

puppets rescales geo bio politics at the interpersonal level and highlights the potential of puppets within posthuman debates about the status of the human This work will be of interest to anyone fascinated by puppets as well as those in fields such as geography anthropology cultural and media studies and those interested in the grotesque posthumanism and or non representational scholarship Rod-puppets and the Human Theatre Marjorie Batchelder McPharlin,1947 *Dominic Simone: Puppeteer I Use Human Puppets to Create Perfect Accidents* 6 Dominic Simone,2021-09-24 After being reincarnated Hughes obtained a puppet manufacturing system The puppets he created could be bestowed with abilities As long as he could successfully harvest the souls of evil doers Hughes could create human puppets with different powers evil human puppets resentful spirit puppets and vampire puppets In order to save his own sister Hughes decided to use his ability to become a hired killer Hughes logged into the Dark Web and a bounty appeared **Theatre Arts Monthly** ,1928
